

KEMPSFORD PARISH

Council Grants Policy

(adopted at meeting of 17th March 2020)

Kempsford Parish Council is funded by the residents of Kempford Parish and therefore has only limited funds available to assist community organisations located and working in the parish for the benefit of the community.

Subject to funding being available, Kempford Parish Council is committed to providing assistance and support to local community groups which are set up to promote community life for its residents. The Council's financial support is provided by way of Grants/donations which are decided against criteria set by, and which can be amended from time to time by the Parish Council.

In order for this Council to be able to assess applications rationally and objectively, many of which will inevitably be totally dissimilar in content, it is both necessary and helpful to assess all applications received against a range of criteria. These are designed to be a general indication of need but are not exclusive and can be flexibly applied.

The Parish Council's policy on community grants is based on the principle of promoting the development of partnerships which encourage and enable local community organisations to deliver local projects to the residents of the Parish. In general, the following principles apply:

1. Assistance will be given on the basis of need, merit and contribution to the local community.
2. Applicants must clearly show how any assistance given will benefit the people living in the Parish or will benefit the environment.
3. Any assistance given will be subject to on-going monitoring and subsequent evaluation of the outcome of the grant.
4. Organisations should not make a presumption that funding will continue on a year to year basis.

The Aims of the Council's Grant Making Policy

Kempsford Parish Council provides grant funding to support the following aims:

1. To enable local people to participate in voluntary groups and activities.
2. To help the parishes' voluntary groups to improve their effectiveness.
3. To ensure the provision of services, needed by the residents, via the voluntary sector.

5. To ensure that there is equality of access and opportunity for all parishioners of Kempford to the services it provides and funds.
6. To improve or enhance the local environment.

The Council can only donate funds to organisations if the Council have a 'Power' to do so.
