To the occupier

Please ask for: Lawrence Murphy

Our Ref: TD434 - Hannington Bridge

Date: 1<sup>st</sup> November 2021

Dear Sir / Madam,

**Road closure between Hannington and Kempsford for bridge works**

Please be aware that the lane linking Hannington and Kempsford (through Hannington Wick) will be closed on **Monday 15<sup>th</sup> November 2021** for a period of approximately **4 weeks**. The closure is required to enable waterproofing maintenance works to take place on Hannington Bridge.

During the closure period there will be no through-access for vehicles, cyclists or pedestrians. A signed diversion route via Castle Eaton will need to be used instead, as shown by the red line on the plan overleaf. However, local access for residents and businesses will be maintained along the lane.

Apologies in advance for any inconvenience caused by these bridge works, but they are an important requirement for the continued operation of the structure. Thank you for your co-operation and patience during this period, and if you have any queries regarding the above, please email: [hppd@swindon.gov.uk](mailto:hppd@swindon.gov.uk)

Yours faithfully,

Lawrence Murphy  
Transport Project Manager
