**April 2014**

Dear Friends,

By the time this reaches you, we will have just celebrated the 150<sup>th</sup> birthday of St Anne's, Whelford with the Bishop of Gloucester, a really special event that was combined with Mothering Sunday, a special cake, lots of chocolate, and lunch at Whelford Mill. But if you missed it, fear not! There are two more special events, to which you are very welcome, as we head towards celebrating Easter, the greatest event in the Christian year.

The first is on the afternoon of Palm Sunday (13<sup>th</sup> April) when we are inviting families and children of all ages to the Church at 3:00pm for tea, cake, football and Easter Garden making. There will be a prize for the best Easter garden, and children will also be encouraged to leave their gardens at the Church until Easter a few days later when they will form a part of the school's start of term Easter service. Football will be for all ages so dads (and mums) are invited to do the appropriate kit!

On Easter Sunday, after the 10:00am service celebrating the resurrection of Jesus, there will be the traditional Egg parachute competition from the Tower and Easter Egg hunt. Tips on building really airworthy craft will be given the previous week! Once again, all are welcome to take part!

Soon after Easter we will be staging our Literary weekend (25<sup>th</sup>-27<sup>th</sup> April) about which there is a flyer which you should find in this magazine. Guests include Roy Hattersley, Barry Norman, Brian Mawhinney and Jonathan Aitken. Do come along to what promises to be a really fascinating weekend, where homemade cakes and tea will be available throughout.

What does all this have to do with Easter? (I hear you cry) In some cases, not very much, except that the heart of the Gospel (Good news) is Jesus's offer that 'I come that you might have life, and have it in abundance' Jesus has come to make our lives fuller, richer, deeper, and more wonderful. And that is how we seek to live. In a way that brings blessing and reflects God's generous, lavish love for us.

Do have a glorious Easter

With every blessing

*Tim*

PS: I am planning to direct a play to celebrate harvest this year on Sunday 14<sup>th</sup> September. It will be Thornton Wilder's beautiful celebration of life, '**Our Town**'. Eager actors and actresses of all ages are invited to be involved. Do let me know if you are interested. I have already heard from a number of people but there really are parts for all.

**PPS Youth Group and Family Activity leaflets** are now available. Do please pick one up from the Church or let me know if you would like one and I can email it to you

PPS Junior Football Club begins on Thursday 24<sup>th</sup> April, at 6:00pm on the school field. Aimed at years 4,5, 6, 7 and 8, any standard is welcome. Training. Skills and a game!

## PARISH COUNCIL NEWS

### Unclassified Highway from Washpool Lane to the Hannington Road

Members of the Parish Council met with Quarry operators Earthline, their planning consultants, Gloucestershire Highways and our County Councillor to look at ways to reduce the regularly flooding of this highway. The meeting was very constructive and a plan to rectify the situation put forward. It will require permission from Gloucestershire Highways and we will update you on its progress shortly.

### Increase in thefts from sheds, garages and outbuildings

There has been a big increase recently in the number of thefts, particularly in and around the Lechlade area. Residents are reminded that locks should be fitted. Shed alarms are also available from the Cotswold District Council Community Safety Team for a small fee. Please contact them on 01285 623000 for further information.

## Gloucestershire County Council Planning

### Planning applications lodged

**Ref:** 13/0097/CWMAJM

**Applicant:** Aggregate Industries UK Limited

**Proposal:** Extension of sand and gravel extraction operations including the retention of all existing site administration, processing and access facilities, with restoration of the extension and existing site to agriculture and species rich grassland using imported inert materials to recreate the original land form.

**Location:** Manor Farm Quarry, Washpool Lane, Kempsford, Gloucestershire, GL7 4NJ

The proposed extension comprises 84.7 hectare to the north and east of the existing Manor Farm Quarry. The area will release an additional 3.2 million tonnes of sand and gravel, extending the life of the mineral excavation for a further 16 years, to 2030.

The restoration scheme seeks to return the whole Manor Farm site back to original ground levels using imported inert materials. The whole site will require approximately 3.1 million m<sup>3</sup> of inert material to return the site back to original ground levels and this will take approximately 30 years to complete (2047).

All the related documents are available to view through the public access system on Gloucestershire County Council's website, and a link is provide through the 'current planning' page on the Kempsford Parish Council's website.

There is a huge amount of documents to support the application, but a non-technical summary is available from Heaton Planning Consultants which can be contacted by email—[spencer@heatonplanning.co.uk](mailto:spencer@heatonplanning.co.uk) or by telephone—0115 937 5552.

The comment deadline is the 25th April 2014 and residents are encourage to submit comments through the Public Access website where possible because it makes the whole process easier to handle and where letters are sent that an email address is still provided.

The Parish Council's response will be available shortly on our website [www.kempsfordparishcouncil.net](http://www.kempsfordparishcouncil.net) which highlights the following:-

- Concerns over increased flood risk to Whelford village following restoration
- Increase in HGV traffic through Kempsford (61% increase).
- Noise, dust and air quality impact on the closest residential properties
- Support for improvements to the public rights of way network

## Cotswold District Council Planning

### Planning applications lodged or new details received:

- 14/00340/FUL** - Erection of first floor front extension at Water Willows, Dunfield
- 14/00622/FUL** - First Floor extension to west elevation at Manor Lodge, High Street, Kempford
- 14/00405/FUL**— Erection of stable block, yard & external hard and soft landscaping at Coln Park
- 14/00805/FUL** - Replace existing gate—retrospective application for the retention of Entrance gate at Kempford House Lodge, High Street, Kempford
- 12/01469/FUL**— Provision of sports ground with car park, the erection of 11 affordable dwellings and 18 family homes together with associated highway, parking, access, garaging, screening and landscaping at land between The High Street and Top Road Kempford

The above application has progressed and is expected to be considered by Cotswold District Council for approval shortly.

There has been a number of changes to the layout since the application was first submitted following consultation with the School and Parish Council. Details of the changes are listed below—

- Change of access to car park. Access is now proposed from the main entrance on Top Road.
- Removal of the small community building— The equivalent sum (£33,458) will be paid to the Parish Council to be used by the Parish Council for improvement and repair works to the Village Hall or to deliver facilities appropriate to the development and the future benefit of the community.

- Addition of a children's play area

A plan of the development is also available to view at Kempford Village Hall noticeboard or on Cotswold District Councils website.

# Council provides WW1 commemoration funding

**COTSWOLD**  
DISTRICT COUNCIL

## **PRESS RELEASE**

Cotswold District Council's Cabinet has agreed to provide each Councillor with a one-off allocation of £500 to fund activities marking the centenary of the First World War. From mid-February, each Member will receive an allocation of £500 to help fund activities or events in their wards which will commemorate the conflict.

Applying for funding will be very simple and will not differ much from the current process which enables CDC Councillors to allocate funding for youth projects.

Commenting on this initiative, CDC Leader Cllr Lynden Stowe said:

“As the momentum builds towards this significant anniversary, we thought it would be appropriate to provide each Councillor with a one-off sum of money to help honour local people who lost their lives or distinguished themselves in battle. We are not applying restrictive criteria to applications for funding but we are already aware that there will be interest from various communities that are planning events or activities such as local exhibitions, renovation of war memorials, and the provision of commemorative plaques and publications. It's also possible that the funding might be used to stimulate interest and attract financial backing from other sources.”

He continued:

“The overall aim is to bring communities together to commemorate a significant time in world history, while reflecting on and recognising the sacrifices made by local people.”

Anyone who wishes to apply for WW1 commemorative funding should contact their [district councillor](#)

# ELECTORAL REVIEW OF COTSWOLD: DRAFT RECOMMENDATIONS

Following the earlier consultation regarding the ward boundaries for Cotswold District Council, the LGBCE have announced the publication of their draft recommendations for Cotswold District Council. To read a copy of the letter sent to the Chief Executive of Cotswold District Council and a summary of the Commission's report, outlining its draft recommendations please visit <http://www.lgbce.org.uk/all-reviews/south-west/gloucestershire/cotswold-fer>. The report and an interactive map of the draft recommendations are available in the LGBCE consultation area, [consultation.lgbce.org.uk](http://consultation.lgbce.org.uk).

Your views on any aspect of the review would be very welcome. Any representations should be made to the Commission by **28 April 2014**. Representations should be made through [consultation.lgbce.org.uk](http://consultation.lgbce.org.uk), by email to [reviews@lgbce.org.uk](mailto:reviews@lgbce.org.uk) or in writing to this address:

Review Officer (Cotswold)  
Local Government Boundary Commission for England  
Layden House  
76-86 Turnmill Street  
London  
EC1M 5LG

## ***Summary***

The aim of the electoral review is to deliver electoral equality for voters in local elections, by recommending ward boundaries that mean each councillor represents approximately the same number of electors. At present, some councillors represent many more, or fewer, electors than other elected members elsewhere in the district which means the value of your vote varies depending on where you live in Cotswold.

The review is being carried out following a request from Cotswold District Council for the Commission to consider the number of councillors elected to the council and to deliver a pattern of wards that means each ward is represented by one councillor—a 'single-member ward review'.

Cotswold District Council currently has 44 councillors. It is proposed that the council should have 34 councillors in future. The Commission believes that a council size of 34 members will ensure the council can discharge its roles and responsibilities effectively and provides for a warding pattern that meets our statutory criteria.

Continued.....

The draft recommendations propose that Cotswold's 34 councillors should represent 32 single-member wards and one two-member ward across the district.

## ***What does this mean for Kempford Parish?***

We would change from the present two-member ward comprising Lechlade and Kempford to a single-member Fairford South & Kempford Ward.

It would include the Fairford area south of the A417 with Kempford Parish. Also included is an area of housing on the A417 on the edge of Lechlade as well as the streets of Moorgate and The Wern. The boundary would run north along Bryworth Lane to Hambridge Lane following it to the parish boundary between Lechlade and Southrop.

For more detailed information please visit <http://www.lgbce.org.uk/all-reviews/south-west/gloucestershire/cotswold-fer>. The report and an interactive map of the draft recommendations are available in the LGBCE consultation area, [consultation.lgbce.org.uk](http://www.lgbce.org.uk).

### RAF Fairford Activities

Residents may remember the threshing machine that was used last year to remove the bird attractants (grubs, seeds etc.) from the grass on the airfield. This process is due to start again on 14 April, and the threshing will last for around 3 weeks.

The machinery used will be different to last year (and hopefully quieter but no guarantees). Two local farmers will carry out the work. Working hours have been discussed with the contract manager, and they will be told to work away from the residential areas at weekends, and to limit the start and end time to a sociable hour. This activity is required to minimise the risk of bird strike, but hopefully we have reduced the irritant to local residents as much as we can.

Work will commence on taking down around 10 willow trees at the bottom of site 16 (Washpool Lane) reducing them to around 2m in height. This is the start of clearing up the area alongside Dudgrove Brook, with the aim of carrying out some de-silting later in the year.

## March News 2014

I think that we can safely say that spring is very much on its way now. Hopefully we have seen the last of the torrential rain and strong winds. We have had some lovely, sunny days in the gardens recently and the temperature does seem to be increasing. The children have enjoyed looking for signs of Spring; the buds on the trees and the crocuses and snowdrops. Spring is a busy time at Pre-School and we have lots of ideas for interesting and different activities for the children, and to improve our Pre-School.

We would appreciate some help with planting Spring bulbs and seeds as part of our 'How does it grow' topic - are you a keen gardener, are you able to come along and help the children to create their own little vegetable plot? We always welcome involvement and support from the local community, so if you think you would be able to help us please get in touch on 01285 811 000.

Thanks to a volunteer from the village our Rising 5 children will be receiving French lessons every Friday morning, starting after half-term,- we're very lucky to have such great support from the community and it is much appreciated!

We were lucky enough to have a visit from our local Police service in February. The children really enjoyed meeting the Police Officers and learning about all of the different things that they do. Following on from our visit from the Police, on the 26th March we are having a visit from the Fire Service! They will be bringing the fire engine for us to explore and giving the children a talk about fire and fire safety.

The children are now busy getting ready for the Easter celebrations, making and writing Easter cards, making rabbits chicks, and Easter nests. They will also be joining in with the Easter egg hunt with the Primary school on the 3<sup>rd</sup> of April.

Our next fundraising event is the **Travelling Trends Fashion show on the 30<sup>th</sup> of April**. This is your chance to see, try on and buy this seasons fashions at greatly reduced prices and help to raise much needed funds for our Pre-School - look out for the advert in the Parish Newsletter for more details.

*NURSING TEAM PASS WITH FLYING COLOURS*

### **PRESS RELEASE**

The Home Nursing service run by the League of Friends of Fairford Hospital has passed its inspection by the Care Quality Commission with flying colours. All six standards required by the regulator of health and social care in England were met and the inspectors found many examples of praise for the service from the public.

The inspection team acknowledged that the service had experienced an increase in demand since the closure of in-patient beds at Fairford leading to a growth in the staff team since the last inspection. The feedback from the families of people using the service was exceptionally positive, says the report, with comments such as “everyone was very kind to me”; “they were absolutely excellent”; and “they are very well trained.”

They found that “the district nursing team were totally supportive of the service“and quoted a district nurse as commenting: “I cannot fault anything they do – they have been a lifeline to us.

The inspection covered areas such as ensuring patients consented when it came to having treatment; care and welfare, ensuring treatment was planned and delivered in a way that was intended to ensure people’s safety and welfare; the management of medicines; and staff qualification and management. There was general agreement among staff, patients and their families that there were no time pressures on staff. They were enabled to deliver a great service and provide whatever support was required without having to rush.

League of Friends chairman, Graham Hewitt commented: “We are really proud of what our nursing team has been able to achieve in providing the care that is so desperately needed.”
