February 2014

Dear Friends,

I do hope that 2014 has begun well for you. January always seems a rather long month (For financial reasons, if no others) and the suddenly we find ourselves in February that passes with almost the blink of an eye. Time is a strange thing. Although it has an absolute quality about it, the reality is that it feels different depending on what is going on. An hour spent waiting for someone to arrive can feel like an eternity, whilst one brief hour with someone we love and yearn to be with can fly by in moments. The Psalmist expresses this from God's point of view when he writes:

'A thousand years in Your sight are like a day that has just gone by' Psalm 90: 4

What he means is that God's timing is not ours, so sometimes (Often?!) we need to be patient and recognise that we are not in control, but it also reminds us that time is a very human event. As Augustine put it:

Time is a feature of the universe that God has created

Hence God is outside time, and He can thus know past, present and future all at the same time, which means that because we know Him to be love, we can trust the future to Him, recognising that His timings, whilst not the same as ours are always right and good

Looking ahead over the next few weeks I would like to draw your attention to four things that may be of interest to you

- 1) On Sunday 2nd February at 3:00pm there will be tea and cake at Kempford school for children and their families as we hold a very informal discussion on the possibility of a special family focussed event on occasional Sunday afternoons. A chance for parents to talk about 'faith and things' and for children to have a time of fun, activities and spiritual discovery.
- 2) On Thursday 13th March our Lent series 'The Problem of Pain' begins at St Mary's, Fairford. Please have a look at the programme in this parish newsletter. The speakers are all well known to me and will be both thought provoking and, I hope, helpful.
- 3) On the weekend of April 25th-27th, although there is no Literary Festival this year, we will be hosting a few fascinating writers including Lord Hurd, Lord Hattersley, Jonathan Aitken, Barry Norman, Chris Skidmore MP, and the Countess of Harrowby. More details next month
- 4) I am planning to direct a play to celebrate harvest this year on Sunday 14th September. It will be Thornton Wilder's beautiful celebration of life, 'Our Town'. Eager actors and actresses of all ages are invited to be involved. Do let me know if you are interested.

With every blessing

Tim

VOLUNTEERS NEEDED FOR COMMUNITY SPEED WATCH (CSW)

CSW empowers local residents to play an active part alongside the police and Gloucestershire Safety Camera Partnership in tackling the problem of speeding in our neighbourhood.

- Recent speed survey in Kempsford recorded speeds of nearly 60mph in a 30mph zone
- Pedestrians, especially children, and other road users vulnerable to accidents caused by reckless and dangerous drivers
- Residents are experiencing negative impact on their quality of life

CSW aims to raise awareness amongst drivers of a local involvement and presence of a scheme. Volunteering would involve:

- As part of a team, regular road-side monitoring of vehicles involving measuring speed and logging details of speeding vehicles
- Training on use of speed measuring equipment
- As much or as little commitment as you like

Police will be notified of speeding drivers and warning letters will be issued. Those who persistently offend will be notified to the Road Policing Unit and the Local Policing Team, for enforcement action.

To register your interest in becoming a volunteer please email: csw@kempsfordparishcouncil.net or telephone 0781 8626158

Further information on CSW schemes can be found on the Parish Council website Speed Watch page - http://www.kempsfordparishcouncil.net/html/speed_watch.html

Get behind 'missing link' solution

People across Gloucestershire are being urged to support a campaign to secure funding to sort out the A417 'missing link'.

The government will set out its future road schemes at the end of March this year and Gloucestershire County Council is today launching a campaign to see the missing link solution – the A417 loop - added to the list.

If it is added to the list, there's a much higher chance of securing the funding needed when the government is allocating cash in spring 2015.

Over the next two months, the council needs people to get behind the campaign and support the A417 loop in order to convince the government to stump up the £250million needed.

Once this window of opportunity closes, it's unlikely the chance will come up again for many years to come.

Now people across Gloucestershire are being asked to show their support for the A417 loop by signing up and pledging their backing on www.a417missinglink.co.uk.

Cllr Mark Hawthorne, Leader of Gloucestershire County Council, said: "This is our one chance to show the government how important this scheme is to our county.

"For more than 20 years people have talked about a possible solution but it's only ever been talk up to this point, without the money to see it through.

"We know the government will announce its list of schemes at the end of March and this is our opportunity to put our case forward and get the cash we need."

The missing link is a 5km stretch of single carriageway on the A417 trunk road with the remaining route between the M4 at Swindon and M5 at Gloucester being dual carriageway.

It is a significant bottleneck and has the worst average vehicle delay of all strategic routes in the South West.

The Air Balloon roundabout, which is a key part of the missing link section, is forecasted to be running 30% over capacity by 2026.

The route already sees more than 34,000 vehicles a day and in the past 15 years there has been more than 340 casualties following accidents on that stretch of road.

The impact on the local economy is also significant with many local businesses affected by unreliable deliveries and lack of confidence in the road network preventing investment.

The Highways Agency, which owns the road, has investigated possible solutions and significant work has been done on this over the past 20 years.

Following this work, the A417 loop, formerly known as the Brown Route, has been highlighted as the best solution.

The A417 loop is a new road made up of a short bypass of Nettleton Bottom, widening of Birdlip Bypass, a new junction at Birdlip, a new junction replacing the Air Balloon roundabout and construction of an additional two lane carriageway down Crickley Hill.

The result will be an uninterrupted dual carriageway all the way from the M5 at Gloucester to the M4 at Swindon.

The A417 loop follows the existing path as much as possible and has been judged as the most environmentally friendly by the Environment Agency.

Other solutions, including a tunnel which would cost £1billion, have been ruled out on cost and environmental grounds.

Cllr Hawthorne added: "Now is the time for us to make our case heard.

"We firmly believe the A417 loop is the way forward and we have to make sure the government hears that message loud and clear.

"The window of opportunity for securing the cash for the A417 loop is short and we need to show the government that Gloucestershire really is behind this scheme.

"Please visit our website, www.a417missinglink.co.uk and pledge your support today."

You can also email us at info@a417missinglink.co.uk and follow us on Twitter @A417loop

South Western Ambulance Service
NHS Foundation Trust

Community First Responder

Community First Responders (CFR) are volunteers who support their local community by attending emergency calls ahead of an Ambulance.

CFRs are trained to attend medical emergencies where it might be essential for the patient to receive immediate life-saving care. No previous medical training is needed to become a CFR. The Ambulance Service currently has a whole host of people as CFRs in their local community, including nurses, engineers, postal workers, accountants, consultants, drivers and teachers. CFRs do need:

- a full driving licence;
- good interpersonal and communication skills;
- the ability to observe and accurately record details; and,
- the ability to take the lead and remain calm in pressured situations.

CFRs are an integral part of the local Ambulance Service. Before appointment and issue of equipment, volunteers will be expected to have completed an enhanced Disclosure and Barring Service check and will have received training over a three day course.

The local group, which covers an area from Lechlade through Fairford to Kempsford, meets monthly. Local CFRs are encouraged to attend these as part of their continuation training.

Interested? Then find out more from Stephen Andrews – at present the only CFR in Kempsford/Whelford, by contacting him at andrews@btinternet.com or on 07769-552138.

Topics and Activities since the New Year

As we all continue to endure an incredibly soggy start to the new year, we have been looking at the changing seasons and the affects seasonal changes have on the environment. Focussing on winter, the activities linked to this are ice play, winter play dough, shaving foam and winter animals, ice pictures using shapes and winter colours. We are also enjoying walks in the afternoon to see the floods and splash in puddles.

January's focus story this month was Julia Donaldson's The Gruffalo which was extremely popular.

The children attended the Village Hall Café again on 9 January. This is always a big hit with the children on and has become a regular monthly event. Not only is this fun, it enables the children to be involved in and support our village community. Do please come and have a chat to us at this month's café.

New faces

We have welcomed 2 new children to pre-school this term, Thomas and Cody.

Our Play leader, Amy Allen, is now on maternity leave having recently given birth to a bouncing baby boy, Alfie. Congratulations Amy! Lisa Nichols is now the Pre-school play leader during Amy's leave. We welcome Naomi Bushell, who joins us on for the Monday session since our numbers are growing. Naomi (or Nae as she likes to be called), has a wealth of experience in child care.

Rag Bag and fundraising

If you are undertaking a New Year clear-out, please also consider donating any unwanted clothing, shoes, towels, bedding, curtains etc. to the Pre-school "Rag Bag" bin. This is sited within the preschool playground but we will happily place bagged items left inside the gate in the bin if the gates are closed. There is no obligation to use the official bags although these can be provided to you if you wish to have some.

Finally, we wish to thank everyone who has supported our fundraising events at the end of last year, whether as a helper out or by coming along and spending your money. Both events were a great success and hugely enjoyable. Even better, with your help we have raised a fantastic sum of money which will be spent on making our pre-school an even better place for the children. THANK YOU.

The History of Kempsford

Kempsford used to be called Kynemereforde (meaning, The Great Marsh) back in the 13th Century. Kempsford first found historical fame in 1297, when a man named Henry Plantaganet, Duke of Lancaster, married Maud de Chaworth. Maud inherited Kempsford Manor from her wealthy father. With this, many links to royalty began to spread. Maud's sister Blanche de Chaworth was in a marriage to John of Gaunt, together they had a son, who grew up to become Henry IV, in 1399! John of Gaunt was the fourth son of Edward III and Queen Phillipa. Gaunt meaning Ghent, is a place in Belgium.

Royalty links are long gone, but St Mary's (Kempsford Church) still stands in all its glory. On the tower's ceiling, the most dazzling feature is The Lancastrian Roses, representing the birth of the first Duke of Lancaster. Henry died, in 1361, at Leister Castle, without a male heir because his son, Henry drowned in the river, which runs through Kempsford. After the Duke's death, John of Gaunt, took Henry's place, and became the Duke of Lancaster in 1362. In the same year Maud de Chaworth mysteriously died, leaving her portion of inheritance to her sister Blanche. Many people believe that John of Gaunt killed Maud, just to get her money. John of Gaunt's son was crowned Henry IV on 13th October 1399.

On the left is our creation of Henry IV. On the right is the real Henry IV.

I would like to thank everyone for their generous donations at the annual Christmas Soirée this year. On behalf of the church, Tim Hastie-Smith donated the £125 collection to partners working in Tajikistan with deprived children. It's great to know that Kempsford's talented children have helped contribute to such a worthy cause.

*Thank you,
Sharon.*

Thank you Lions

The Lion's Club held their 37th annual party on 11th January in Fairford, so on behalf of the members of Kempsford Thursday Club who attended I would like to thank them for the good time they gave us. The organisation and entertainment were superb, the Lion's ladies tea was most enjoyable and the gifts were much appreciated.

Thanks also to the driver and his escort who saw us safely there and back home again.

“Hold a Fish and Chip Supper to help spinal cord injured people rebuild lives after injury”

Great British Fish and Chip Supper – Friday 16th May 2014

Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 16th May 2014 whilst raising awareness of spinal cord injury and supporting SIA's vital services.

You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre.

SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 8 friends and asking them to donate an additional £5.00 means you will raise at least £40.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA.

In 2014 SIA is celebrating its 40th anniversary and so we want to make the batter matter and raise £25,000 from everyone holding suppers. Last year we raised £12,500 from the suppers.

The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Community Fundraising Manager, Elizabeth Wright, says, “The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group.

For more information or request a fundraising pack call Elizabeth Wright on 0845 071 4350 or email fundraising@siafishandchips.co.uk or visit www.siafishandchips.co.uk

LECHLADE HISTORY SOCIETY

Monday 17th February: Stroud's Other Industries – More Than Just Cloth! The valleys around Stroud are renowned for their woollen mills and in particular for the production of the red cloth used for military uniforms. This talk by Dr Ray Wilson looks at the wide range of other industries that grew up in the area and are often overlooked. 7.30pm in the Memorial Hall. Guests welcome £4.

Contact Alan Garnell 01367 253087 or visit www.lechladehistory.co.uk.

Lechlade Community Library

Our volunteers are looking forward to welcoming customers old and new to Lechlade Community Library in 2014. Remember that we are now open for at least 3 hours every weekday as well as Saturday morning – so come in and see the newly published books that we have already purchased for 2014!

Our opening hours are:

Monday	10 – 4	Thursday	10 – 1
Tuesday	1 – 4	Friday	1 – 6
Wednesday	10 – 1	Saturday	10 – 1

We have a new sign to put outside the library when we are open (thanks to PG Events) so come in when you see the sign.

Are you interested in joining a **Book Club** and enjoying friendly discussion in an informal group? Please let us know if you would like this and whether you would prefer afternoon or evening sessions.

Wi-Fi is available in the library so you can use your own tablet, phone and other devices and get faster access to the internet for a small fee.

Our usual Children's activities continue on Monday, Wednesday and Saturday mornings. We can also offer help if you would like to improve your Computer skills or if you are interested in researching your Family History. Support is also available for Job Seekers.

We would like to thank Lechlade Baptist Church for lending us their lovely crib as the centrepiece of our Christmas window display and all those who provided the wonderful knitted figures – the sheep were particularly popular! Thanks as well to our volunteer Tad for his paper sculptures.

Many thanks also to the volunteers who came in after Christmas and helped with more painting and refurbishment. We are constantly delighted by the support shown by the community for the library and the willingness of so many people to help.

If you would like any more information about the library and the services we offer, please visit our website www.lechladelibrary.co.uk or phone 01367 252631.
