CFRs are an integral part of the local Ambulance Service. Before appointment and issue of equipment, volunteers will be expected to have completed an enhanced Disclosure and Barring Service check and will receive training, including a day "on-shift" with a crew.

## The next course is being arranged for the 24<sup>th</sup>/25<sup>th</sup> September and 1<sup>st</sup>/2<sup>nd</sup> October with applications being taken from July.

The local group, which covers an area from Lechlade through Fairford to Kempsford, meets monthly. Local CFRs are encouraged to attend these as part of their continuation training.

Last season, which ended on the 14th of March, was rather mixed, in that the river was very high or rather low. However ,the fish were still there and some were even caught.

Chub remain the dominant species, growing to over 6lbs. In addition, we have roach, perch, dace, pike, bream and barbel.

Next season begins on the 16th of June, when subscriptions are due.

For further information and advice, please contact Jim Hussey on 01285 810446.

## A Message to the Residents of Kempsford, Whelford, Dunfield and Dudgrove from the organisers of the Royal International Air Tattoo

#### Dear Resident

As you are probably aware, this summer's Royal International Air Tattoo will take place at RAF Fairford from July 8-10. We wish to bring to your attention a change to our traffic management system over the weekend of RIAT that will affect you.

From 6am on both Saturday July 9 and Sunday, July 10, a one-way system will operate on the entire length of Whelford Road, from the Shell Garage on the A417 to 'Allotment Corner' in Kempsford (*dotted line on map*). In previous years, this one-way system ran from the Shell Garage to Pope's Court in Whelford at which point it reverted to two-way.

The reason for this change is to speed up the movement of cars from the highway into – and out of – our eastern 'Red' car parks situated adjacent to Whelford Road. Not only will this help improve traffic flows during these busy phases but it should enable us to lift the one-way order earlier than in previous years allowing you unrestricted movement in the middle of the day before the one-way traffic flow is reversed during the outbound phase.

In the morning, once RIAT Traffic Control is satisfied that the vast majority of RIAT-bound vehicles have parked, the restriction will be lifted to allow two-way traffic on the entire length of Whelford Road. During the departure phase, the one-way system that was in operation in the morning will be reversed. Timings for this will be determined by RIAT Traffic Control based on the prevailing traffic flows.

Please note; all other one-way systems remain the same as in 2015, details of which are contained in your local Residents' Newsletter which will be available, via the parish council, in June.

In recognition of the impact these changes to our traffic management system could have on your movements during RIAT, we have made a modest donation of £500 to Kempsford Parish Council to help fund a resource that will benefit the parish.

If you wish to discuss these arrangements in more detail prior to Monday, July 4, please contact Richard Arquati on 01285 713300 ext 5361 or email <a href="richard.arquati@rafcte.com">richard.arquati@rafcte.com</a> However, if an issue arises over the RIAT period itself (between Monday July 4 and Monday, July 11) we would ask that you contact our Community Helpline on 01285 713000 in order to work with you to resolve any issues you may have.

Please be assured the Air Tattoo works closely with your parish council throughout the year to ensure that we minimize the impact of our event on you, the residents, and we remain hugely grateful for your support and forbearance as we plan our event each year.

Thank you
