## **Change of Status for People For You**

**People For You is now in its 11<sup>th</sup> year of operation, providing a unique and much valued volunteer befriending service in the communities of Fairford and Lechlade and neighbouring villages.**

**However, People For You is moving forward and is establishing a new independent charitable organisation to ensure that the service currently provided can continue and flourish. The name will remain unchanged, as will the contact telephone number.**

## **Background to the Service – the Need**

People For You offers regular companionship at a time when a person might be feeling cut off from their community. We provide an ever expanding high-quality service to prevent and reduce isolation and loneliness. Regular visits from befriending volunteers are proven to have a positive and preventative impact on ill health. Both physical and mental health improves for clients who receive befriending services, allowing them to remain independent and living in their own homes for longer.

Evidence of the growing scale of loneliness and isolation is well documented, particularly in rural areas where sparsity, lack of transport and services exacerbate the situation.

## **Funding**

I'm sure most of us are aware of the difficulties for charitable organisations in securing funding. I am therefore delighted to announce that People For You has agreed funding from The Friends of Fairford & Lechlade Communities. As you can imagine, this is a real lifesaver and we are inordinately grateful to The Friends for their support and recognition of how our service helps and supports the community.

## **How the Service Works**

If you feel you would benefit from having a regular visitor, please do get in touch with Sue who will call to visit you.

And if you are someone who has an hour to spare a week to visit someone who spends a lot of time alone, again please get in touch with Sue.

Dear Friends,

I am writing this on Sunday, June 23<sup>rd</sup>. It seems amazing to me that it was only yesterday that there was both a fete and wedding in the parish, and yet that is how time often seems to affect us. These two events, celebrating community and love seem to me to encapsulate the mission of the Christian Church.

The fete was a wonderful effort from the school, the Church, Village Hall and many other community groups. Each lent of their own skills and experience, not to mention the physical talents that had to be called on in terms of putting things up, moving things round and so on. There was such an air of excitement and fun, and the efforts of all those running the inaugural Kempsford 5k were inspiring. I was so keen to stay to see the start of the colour run but other duties called me away.

These other duties were in no way onerous. I was officiating at the marriage of Catherine and Sean in Whelford church. These two and their children are often at church, and my other hang out the Magic Beans Cafe, so taking their wedding was a particular privilege. The more one knows a family, the more one feels can be done to try and make their specific church services relevant to them. We'd had a laugh and a joke at the rehearsal the evening before, and a few on the day itself, but it was their devotion and love for each other that shone through on the day. It is actually the couple that marry each other, the minister is just there as an official. On this occasion it was my joy as well as my duty to oversee the ceremony.

I then managed to get back for the putting away of the tables of the fete. I got to hear about all that had gone on in my absence and it sounded so brilliant, that so many people had come together and enjoyed being part of the community and contributing to it too. I couldn't help but notice the paint splattered individuals who were still around as well, excellent evidence that the colour run had lived up to its name.

Neither event would have been possible without a great many people putting in their time to make them happen. It is my sincere hope that all these people know who they are and that at the end of that busy, brilliant, sunny day, they all slept well. Planning events is one thing, but until they take place we're never quite sure how they're going to go. Certainly these occasions were great and wonderful celebrations. May we be thankful for the efforts of those around us who work so hard, and be inspired by their examples to ensure the events to come are also splendid.

God bless,

Nick

## Kempstford Angling Club

Last season ended on 14th March, the river being in reasonable condition throughout. The weather was not too severe, in fact, it was almost tropical in February. I took advantage of this and had a good day, catching 3 chub for 10.5 lb. It should have been 4 but one got away. This just shows the fish are still there and not only chub but others, as well.

Next season begins on 16th June when annual subscriptions are due. For further help and advice, please call Jim Hussey on 810446.
