13/0097/ CWMAJM	Manor Farm Quarry, Washpool Lane, Kempsford	Extension of sand & gravel extraction operations including the retention of all existing site administration, processing & access facilities, with restoration of the extension & existing site to agriculture & species rich grassland using imported inert materials to recreate the original land form.

This is to inform you that Planning Committee has granted planning permission for the above proposal..

The decision notice can be viewed online at -

The Parish Council has requested Gloucestershire Rural Community Council's (GRCC) assistance in undertaking a housing needs survey.

The last survey was carried out in 2009 and the needs identified influenced the recent Hazel View development.

We need your help again to make this new survey successful and informative, which will help to inform us if the recent development has met the previous identified needs and more importantly, the current needs within the Parish.

You will be aware of the pressure nationwide for more housing and the difficult decisions faced by local planning authorities.

The Parish Council is here to represent the community and we can only do this if we know what the needs are.

So please take the time to complete the survey which will be distributed with the July/August Parish Newsletter.

A FREEPOST envelope will be provided to return completed questionnaires to GRCC, or alternatively they can be placed in the secure collection box which will be available at Kempsford Village Hall on Thursday 6th July between 7pm and 8pm when additional RIAT car stickers can be collected.

The survey will remain totally confidential and only anonymous statistics and views will be published in a report.

Litter Pick, Sunday 21st May

My thanks to those who turned out to take part in what is tuning into an annual litter pick. We were able to tidy up many paths and roads in Kempsford, Dunfield and Whelford. Unfortunately the lack of unaccompanied adults meant the road to Hannington could not be tackled. As ever, thanks go to Bob Spackman for collecting the bags of rubbish to enable onward collection by CDC.

Kempsford Angling Club.

Last season, which ended on the 14th March, was fairly average.

The lowish water in the river made the fishing more difficult. However, the fish were still there and some were caught. Chub to over 5lbs are not uncommon and other fish present include roach, dace, perch, bream, barbel and even a few pike and brown trout.

Next season begins on Friday 16th June and subscriptions are due for then.

June 2017

Dear Friends and neighbours

I wonder when was the last time you said to someone "Sorry, but I'm just too busy to...". Do you ever feel that there simply aren't enough hours in the day? We have businesses to run, families to organise, appointments to keep, emails to answer, and endless 'to do' lists. Life can sometimes feel that it is spiralling out of control, although it is also true that many of us enjoy being busy. Being busy makes us feel valued and important. We may be proud of our ability to multitask and juggle so many things. A reasonable amount of busyness is good for us, but sometimes overload can set in. There is just too much to do and not enough time to do it all. These are all the right ingredients to cause stress and anxiety which over time can lead to health problems and even relationship issues too.

It's interesting that as a race we are known as 'human beings' and not 'human doings'. God created us to enjoy 'being' as well as productive and creative 'doing'. But perhaps some of us have forgotten how to simply 'be'. It is essential to our well-being that we take time to rest and recuperate; to appreciate and enjoy the small things in life. Research shows that just a few minutes every day in quiet reflection is very beneficial to our health. It reduces stress and increases our happiness. Meditation is an ancient Christian practice which follows the advice of the Psalmist to "Be still and know that I am God". Taking time out to be thankful for the good things in our lives, to appreciate the beauty of creation, to let go some of the stresses in our lives, all helps to restore our souls. Acknowledging God in all of this is the start of an exploration of faith. Could you take some time out this week to "Be still and know that I am God"? I can guarantee it will be good for your health!

With my best wishes

Rev'd Lynn
