February 2014

Dear Friends,

Lent begins this month, a season traditionally associated with prayer, penance, alms giving and self-sacrifice (According to the dictionary) None of these are words that are either used that commonly these days, and or if understood are unlikely to be looked upon with enormous enthusiasm by most unless you feel in need of an excuse for a diet. So why does the Church insist on clinging on to concepts that seem so obviously unfashionable?

I guess it is something to do with the fact that all four are good for us, and like a number of things that are good for us they take a bit of effort! So here's an easy way to start off Lent

- 1) Spend a minute each day during Lent saying thank you to God. The simple act of gratitude will help us to focus on the great blessings that we all enjoy.
- 2) Say sorry to anyone you have hurt either intentionally or inadvertently. Either recently or long, long ago. Free yourself from the burden of unresolved conflict and bitterness
- 3) Give generously. Not just to the Church (although we will be running a stewardship campaign soon!) Give, because God gives so generously to us, and it is in giving that we learn to free ourselves from the tyranny of possessions and money and discover the joy of sharing.
- 4) Give up something that hurts either you, or others and do something positive instead. Self-discipline is so fundamental to our ability to do well in almost anything, and that includes being able to live well!

Easy? Of course not. But give it a try. You may be surprised to discover how concerned God is for our well-being.

With every blessing

*Tim*

## **ELECTORAL REVIEW OF COTSWOLD: DRAFT RECOMMENDATIONS**

Following the earlier consultation regarding the ward boundaries for Cotswold District Council, the LGBCE have announced the publication of their draft recommendations for Cotswold District Council. To read a copy of the letter sent to the Chief Executive of Cotswold District Council and a summary of the Commission's report, outlining its draft recommendations please visit <http://www.lgbce.org.uk/all-reviews/south-west/gloucestershire/cotswold-fer>. The report and an interactive map of the draft recommendations are available in the LGBCE consultation area, [consultation.lgbce.org.uk](http://consultation.lgbce.org.uk).

Your views on any aspect of the review would be very welcome. Any representations should be made to the Commission by **28 April 2014**. Representations should be made through [consultation.lgbce.org.uk](http://consultation.lgbce.org.uk), by email to [reviews@lgbce.org.uk](mailto:reviews@lgbce.org.uk) or in writing to this address:

Review Officer (Cotswold)  
Local Government Boundary Commission for England  
Layden House  
76-86 Turnmill Street  
London  
EC1M 5LG

### ***Summary***

The aim of the electoral review is to deliver electoral equality for voters in local elections, by recommending ward boundaries that mean each councillor represents approximately the same number of electors. At present, some councillors represent many more, or fewer, electors than other elected members elsewhere in the district which means the value of your vote varies depending on where you live in Cotswold.

The review is being carried out following a request from Cotswold District Council for the Commission to consider the number of councillors elected to the council and to deliver a pattern of wards that means each ward is represented by one councillor—a 'single-member ward review'.

Cotswold District Council currently has 44 councillors. It is proposed that the council should have 34 councillors in future. The Commission believes that a council size of 34 members will ensure the council can discharge its roles and responsibilities effectively and provides for a warding pattern that meets our statutory criteria.

Continued.....

The draft recommendations propose that Cotswold's 34 councillors should represent 32 single-member wards and one two-member ward across the district.

## ***What does this mean for Kempford Parish?***

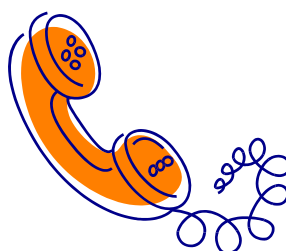

We would change from the present two-member ward comprising Lechlade and Kempford to a single-member Fairford South & Kempford Ward.

It would include the Fairford area south of the A417 with Kempford Parish. Also included is an area of housing on the A417 on the edge of Lechlade as well as the streets of Moorgate and The Wern. The boundary would run north along Bryworth Lane to Hambridge Lane following it to the parish boundary between Lechlade and Southrop.

For more detailed information please visit <http://www.lgbce.org.uk/all-reviews/south-west/gloucestershire/cotswold-fer>. The report and an interactive map of the draft recommendations are available in the LG BCE consultation area, [consultation.lgbce.org.uk](http://consultation.lgbce.org.uk).

### **No electricity – will the land-line phone still work?**

Modern land-line phones need a separate connection to the electricity. If the power is out so is the phone. Older people do not always use a mobile, and in any event if you live in Kempford the signal is unreliable at best. If you have elderly relatives make sure that they have at least one "old fashioned" corded phone. BT sell quite a wide choice of phones that do not need a power connection. If you go onto the Amazon website and put in "corded phones" you can easily see what is available. It is a good safety measure to ensure that you always have a means of contacting the outside world!

## The Forest School Experience

Miss Heavisides and the children from Ant Class (Early Years Foundation Stage) go to Horseshoe Wood, near Fairford every Monday afternoon. We are very lucky to have such supportive parents who help with transporting the children each week. The children, so far, have loved:

- making mud slides and then using them!
- den building with sticks, twigs and anything else they can find in the wood;
- talking about animals which hibernate and which are nocturnal;
- reading the story of 'The Gruffalo';
- playing a hide and seek game called 'One, Two, Three. Where are you?'
- looking at plants and in particular snowdrops (showing new growth)
- cooking and eating marshmallows.

Everything that the children learn is linked to the curriculum by using a very creative 'hands-on' approach. They learn life skills too like sharing, taking turns and how to deal with real life situations.

We would very much like to develop the school's EYFS Outside Learning Environment, with your help if possible please. Therefore we are asking for any donations of the following items: wellies, old saucepans, old cutlery, an old microware, milk crates, garden forks, small buckets, a dustpan & brush, a small garden rake, bulbs, grass seed, a pop up tent, some fabric for weaving, wind chimes, bird feeders, logs, carpet squares, plastic tubing, guttering, wooden bricks, farm yard and animals and containers to make mud pies!

If you would like to donate any of these items please see Mrs Smart or Miss Heavisides. Thank you.

### *HOUSE-TO-HOUSE COLLECTION*

The League of Friends of Fairford Hospital is gearing up for its main fund-raising event of the year, the House-to-House collection. The League spent about £70,000 in supporting the health needs of people in the local community last year and this level of support is expected to continue.

At the end of his first year as chairman of the League, Graham Hewitt said: “Our services provide a lifeline to the ill, frail and elderly in our rural community and they continue to be in great demand. We expect the demand for our support to increase due to what appears to be endless change in the NHS. Please help us continue providing this level of support through your generous donations.”

The volunteer collectors are due to begin their work on March 31 and finish on April 13.

## SNOWDROPS AT THE MANOR

There will be a fine display of winter aconites and snowdrops in February and early March. Visitors are welcome (by appointment) and for groups of 4 or more we can provide light lunches and teas, served by the fire indoors. Please ring or email.

A sunny and secluded vegetable garden is offered to someone or several people who would like to grow their own vegetables. Help is offered. A vegetable garden needs looking after so this offer is for people who are keen. No rent or produce in exchange is required for our offer.

Cleaning help is needed at the Manor. There might also be some work with breakfasts at the weekends. Can anyone help?

# LECHLADE HISTORY SOCIETY

**Monday 17th March:** Votes for Women – How People Got the Vote. This talk by Muriel Pilkington, although focusing on women's right to vote, also looks at the wider aspects of suffrage. For example, men returning from fighting for their country in WW1 were still not entitled to vote unless they were property owners. 7.30pm in the Memorial Hall. Guests welcome £4.
