St Mary's, Kempsford with St Anne's Whelford

John Swanton, Team Rector 01285 – 851309
email: john@swanton.plus.com

May 2015

Normal Service will resume shortly....

The Parish of Kempsford with Whelford is part of the South Cotswolds Team Ministry, which covers an area from Ampney Crucis to Lechlade and Castle Eaton to Coln St Aldwyns. The Team is lead by me – the Reverend John Swanton – and there are seven other clergy licensed to take services across the Team.

Over the coming months I will be taking pastoral responsibility for the Parish of Kempsford with Whelford and I have already had the privilege of leading services at St Mary's Church; and am looking forward to a wedding at St Anne's Church in the summer. It is my plan that you will see familiar faces regularly on Sundays – and me to from time to time. Our Team Curate – the Reverend Lynn Hayler will also become a familiar face to you, I am sure.

The Churchwardens will continue to deal with day-to-day matters, and I am very grateful to them for all they have been doing.

We do intend to find another member of the Team to live in the Parsonage at Kempsford. It is the practice of the Church of England to have a vacancy period between vicars and the Parsonage will be let during the vacancy.

In the meantime, I hope you will continue to support the life of the Church in Kempsford and Whelford and I very much look forward to working with you as we continue our Christian pilgrimage together.

Please do feel to contact me – John Swanton, Team Rector on 01285 – 851309 or email: john@swanton.plus.com

POLICE UPDATE

Dwelling burglaries continue to be a problem County wide. Entry is usually gained through the rear of a property and once inside, favoured things to steal are jewellery, money, expensive silver/china and expensive race bikes. We are also seeing instances where offenders are using cleaning products from the victims homes to try and eradicate any forensic evidence.

If anyone would like a free Crime Reduction Survey done on their property, please feel free to contact either myself or PCSO Bethan Callaway-Green (bethan.callaway-green@gloucestershire.police.uk) and we can arrange for this to be done. Likewise with any Crime Prevention advice people would like.

Currently for sale at Cirencester Police Station, are several crime prevention items at very reasonable prices. Items include window alarms, personal attack alarms, light timers, purse dipper bells, door chains and Smartwater. If anyone would like a price list for these items, please let me know and I can email one to you.

DOG FOULING

The Parish Council receive more complaints about dog fouling than any other issue, and it was raised again at the recent Annual Parish Meeting.

Two new dog waste bins were purchased last year, but despite this, a few owners are still not using them. In some cases people go to the trouble of using a bag, only to discard it on the grass or in hedges, even in the vicinity of a bin!

Dog fouling is a serious issue. It is unpleasant for other members of the public and grasscutters, and can cause serious illness. One disease, Toxocariasis can cause blindness, especially in children.

Fixed penalties

Under the terms of the Dog Fouling Order, dog mess must be disposed of properly when a dog fouls in a public place.

If dog mess is not picked up and disposed of properly, the District Council's Environmental Wardens can issue a fixed penalty notice for £75 or refer the matter for prosecution in the courts where the fines could be £1000.

Our Environmental Wardens undertake regular patrols to ensure any dog mess or litter is picked up and disposed of properly.

Please do not let a few irresponsible people give the majority of dog owners a bad reputation.

Please report offenders to Cotswold District Council. Complaints will be investigated, offenders will be prosecuted.

It is helpful if you can tell us the time, date and place it happened and the name and address of the person.

Hilary Cottage Surgery – Patient Participation Group

The Hilary Cottage Patient Participation Group (PPG) is a group of active volunteer patients that work in partnership with the Hilary Cottage Staff and GPs. The group exists to develop a constructive communication between patients, the healthcare team, and the community it serves.

It aims to benefit patients by collecting their opinions and experiences, which the Practice uses to evaluate the delivery of its care. It also provides a means to express concerns and interests ensuring that the practice remains accountable and more proactive in providing services that truly reflect patient needs. **The group is not a forum to air individual complaints and issues.**

The PPG aims to benefit the Practice by developing a mutually supportive network outside the healthcare team, with whom they can discuss issues that affect the quality of care and the running of the practice. It also aims to communicate to the practice community and/or the wider community information about the practice.

All registered patients are welcome to join the PPG. It is planned to have informal meetings organised by patients every two months and then to meet formally within the Practice three times a year. The minutes of the meetings are available on the surgery website <http://www.fairfordsurgery.co.uk/> click on the Patient Group quick link, and select the header minutes of meetings//newsletters.

If you would like to join the Group, please collect a Registration Form from Reception, or visit the surgery website (see above) and hand the complete form in at Reception.

If you have any comments, concerns, not complaints, and you would like the Hilary Cottage Surgery PPG to raise on your behalf, please contact them via email at hilarycottageppg@gmail.com. The current member of the Patient Participation Group in the Kempsford Parish News area is:

Stephen Andrews.

Community Speed Watch Update

Following concerns raised over the speed of vehicles through the Parish, a Community Speed Watch was recently set up with the support of the Parish Council and Gloucestershire Constabulary, having the aim of reducing vehicle speed by improving drivers awareness, in order to increase public safety.

You may have noticed the team carrying out speed checks in Reevey the week of 13th-19th April.

In all, 9 sessions of 2 hours were carried out where a total of 175 drivers were recorded exceeding the speed limit by more than 20%. Those drivers may be contacted by Gloucestershire constabulary. Drivers should be reminded that the speed limit remains at 30mph leaving Kempsford until the national speed limit signs at the exit to Reevey.

It was felt that generally, overall speeds fell steadily during the week as people became more aware of their speed, therefore the project has been deemed a great success.

We would like to continue with this project and extend to other areas in the parish and would appreciate any volunteers that might like to help out, please contact the Parish Council, full training will be provided.

The team would like to thank residents for their co-operation in this initiative to reduce speed and improve safety.
