## Parish Council News

Thank you to everyone who attended the Annual Parish Meeting in April. The interest in developing houses at Kempsford by Pye Homes and their recent consultation certainly generated a huge turnout! It is good to know that parishioners feel so passionately about the village.

On this note, the Parish Council has not received formal notification from Cotswold District Council of any planning application being lodged.

As this newsletter is only published monthly, the best way for residents to keep informed of any news is through the Parish Council website. Which will be updated regularly with any news and developments.

## KEMPSFORD FOOTBALL AND YOUTH CLUB

A big thank you to Chris Bint for his time and energy and hard work in growing the club over the last 5 years. With other commitments he is unable to continue as leader.

We do not have use of the sports field or the MUGA until the Parish Council are happy that they are safe and meet specification.

We also need a new volunteer, preferably male, young, keen on football and happy to give up time on a Wednesday or Thursday evening, to help with the club.

Without both of these the club will be unable to run during this coming **term apart from specific events such as It's A Knockout** with Bibury on Thursday 15 June and end of year BBQ by the river in July

## Village Litter Pick Sunday 21st May 2017

It is a sad fact of life that our roads, paths and hedgerows are blighted by litter. Some is pure accident but most is as a result of careless or thoughtless individuals. Therefore, those who are able to and who take pride in our village are invited to join us in what is turning into an annual Litter Pick.

Meet at the Kempsford Village Hall Car Park at 10 am Sunday 21<sup>st</sup> May

Volunteers will be issued with gloves, litter pickers, black bags and hi-viz vests (if required).

We will aim to finish at 1 pm and re-convene at The George afterwards for light refreshments.

For those who cannot join us for a 10 am start there will be a 2<sup>nd</sup> start at 11 am.

If there is sufficient demand from Whelford then another group can start from the Whelford Village Hall at 10 am.

For further information contact Philip Nickson on 810466.

May 2017

Dear Friends and neighbours

I wonder if you reacted to the news of the forthcoming General Election in a similar **style to Brenda of Bristol and her 'not another one!' cry! It does seem that we are** currently in an endless cycle of going to the polling station and yet things never seem to change (or perhaps if you are in Local Authority, you feel that the goalposts are constantly moving). Opinion suggests that we are striding towards the collapse of the NHS; education remains underfunded; accommodation issues for many remain a **worry. Or am I hostage to 'fake news' and actually everything is alright in our** country?

At least, having the privilege of voting gives us a say in matters. Many around the world would be grateful for such an opportunity.

In our churches we have just joyfully celebrated the incredible news that Jesus is risen **from the dead and in doing so he has defeated the ultimate fear of us all...death. Through Jesus's death and resurrection we are offered life** – life in all its fullness, life with meaning and purpose, life beyond death, eternal life.

However God gives each of us a vote in this. Not the sort that involves putting a cross on a piece of paper but the kind that we do with our feet. We can choose either to walk towards the life that God offers us or away from it - **we can't choose both! A** vote for God acknowledges our desire to discover who He is and how He could transform our lives. A vote against Him reveals our desire to retain control of our lives – if only indeed that were possible, as our lives are so often in the hands of others and external circumstances.

**I'm voting for Life** –stepping out to explore the amazing life that God offers. What about you?

Every blessing

Rev'd Lynn

## Advice from Cotswold District Citizens Advice

As the holiday season approaches Cotswold District Citizens Advice offers readers some information about your rights to cancel. Sally Pickering, Chief Officer of Citizens Advice said, 'We provide confidential advice about consumer, housing, employment, welfare benefits, money problems and so many other things. Unfortunately, at this time of year a few people contact us because they can no longer go on their holiday. Your rights to cancel a holiday (or a particular part of a holiday like a flight or a hotel booking) usually depend on the terms and conditions of your booking, and your reason for wanting to cancel.'

Sally makes the following suggestions: Check your travel insurance and call them if **you're not sure.**

**If you've changed your mind about a holiday or you can't go anymore (eg because of an emergency), you should check the terms and conditions of your booking to see what your options are. It's likely that you'll either have to pay a cancellation fee or won't be entitled to any refund at all. Contact the company if you can't find your terms and conditions.**

**You have the legal right to cancel without charge if the company has made 'major changes' to the holiday after you booked it. There's no exact definition for what a major change is. Contact the company you booked with and explain to them why the original booking was important to your circumstances and explain why you think the changes are 'major'. Ask for a refund or to rearrange the holiday.**

If the price of your holiday increases after you book. You have the legal right to get a **refund or book a different holiday if the company makes a 'major increase' to the price of the holiday. There's no exact definition for what a major increase is - the Association of British Travel Agents suggests that 10% or more is a 'major increase'.** However, this is only a guide.

Contact the Citizens Advice consumer helpline on 03454 04 05 06 if you need more help - a trained adviser can give you advice over the phone. You can also seek confidential, impartial advice from Cotswold District Citizens Advice with advice queries. Contact details can be found <http://www.citizensadvice-stroudandcotswold.org.uk/index.php> or ring 0808 800 0511 for details of your local office.

## **STOLEN TREES**

I am very pleased for walkers to enjoy my farm. I was however very sad to find out that someone has stolen some of the young trees that I planted recently. I buy the young saplings from a tree nursery near Gloucester and then plant them. At least one of the trees in question was protected by tree guards, so there is no possibility that someone could have thought it was self-seeded and it could not have been removed by animals.

If anyone spots anything suspicious I would be very grateful if they could contact me on 01285 712301.

Thank you.

# Let's Talk

Depression is the leading cause of disability worldwide and is becoming more common. Depression, anxiety and stress are also the leading cause of sickness absence in the UK, with 70 million working days lost each year. The World Health Organisation chose depression as the topic for World Health Day on April 7, in recognition of the growing situation, the need to speak more openly and as a way of highlighting the support available.

In Gloucestershire, Let's Talk is a free NHS service for anyone aged 18 and above to seek support and advice.

Evidence shows that if you seek support early, you can recover more effectively and more quickly, and avoid further problems developing.

Let's Talk provides a range of options, from advice over the telephone and educational courses to self-help guides and face-to-face Cognitive Behavioural Therapy.

You can find out more by visiting [www.talk2gether.nhs.uk](http://www.talk2gether.nhs.uk) or ringing 0800 073 2200.

## Cotswold Cogfest cycle event - Sunday 7th May 2017

My name is Simon Fortnam and I am part of the Minchinhampton School PTA. On Sunday 7th May we are organising a 60 mile bike ride through local villages. Part of the course goes through Kempsford so I am writing to let you know. Kempsford is around the halfway point of our ride so we expect riders to pass through in small groups between 10 - 11:30am. Below is a copy of the route through the village for your information. They will be coming from Hannington Wick and heading towards Whelford.

Last year we had our mobile feed station set up at the side of the road near the church and we are hoping to do the same again. It will just be me, my car and a small table with water, bananas and flapjack for our riders.

Our website should you require any further information is:

[www.cotswoldcogfest.org](http://www.cotswoldcogfest.org)

There will be some direction arrows going up in the village the day before but they will be taken down straight after the event.

Let me know if you have any questions.

Regards

On 20th May in Hyde Park, London, an attempt will be made on a Guinness World Record in aid of MIND and in support of Heads Together - a campaign spearheaded by The Duke & Duchess of Cambridge and Prince Harry,.

We aim to have over 200 people run 5km linked together.

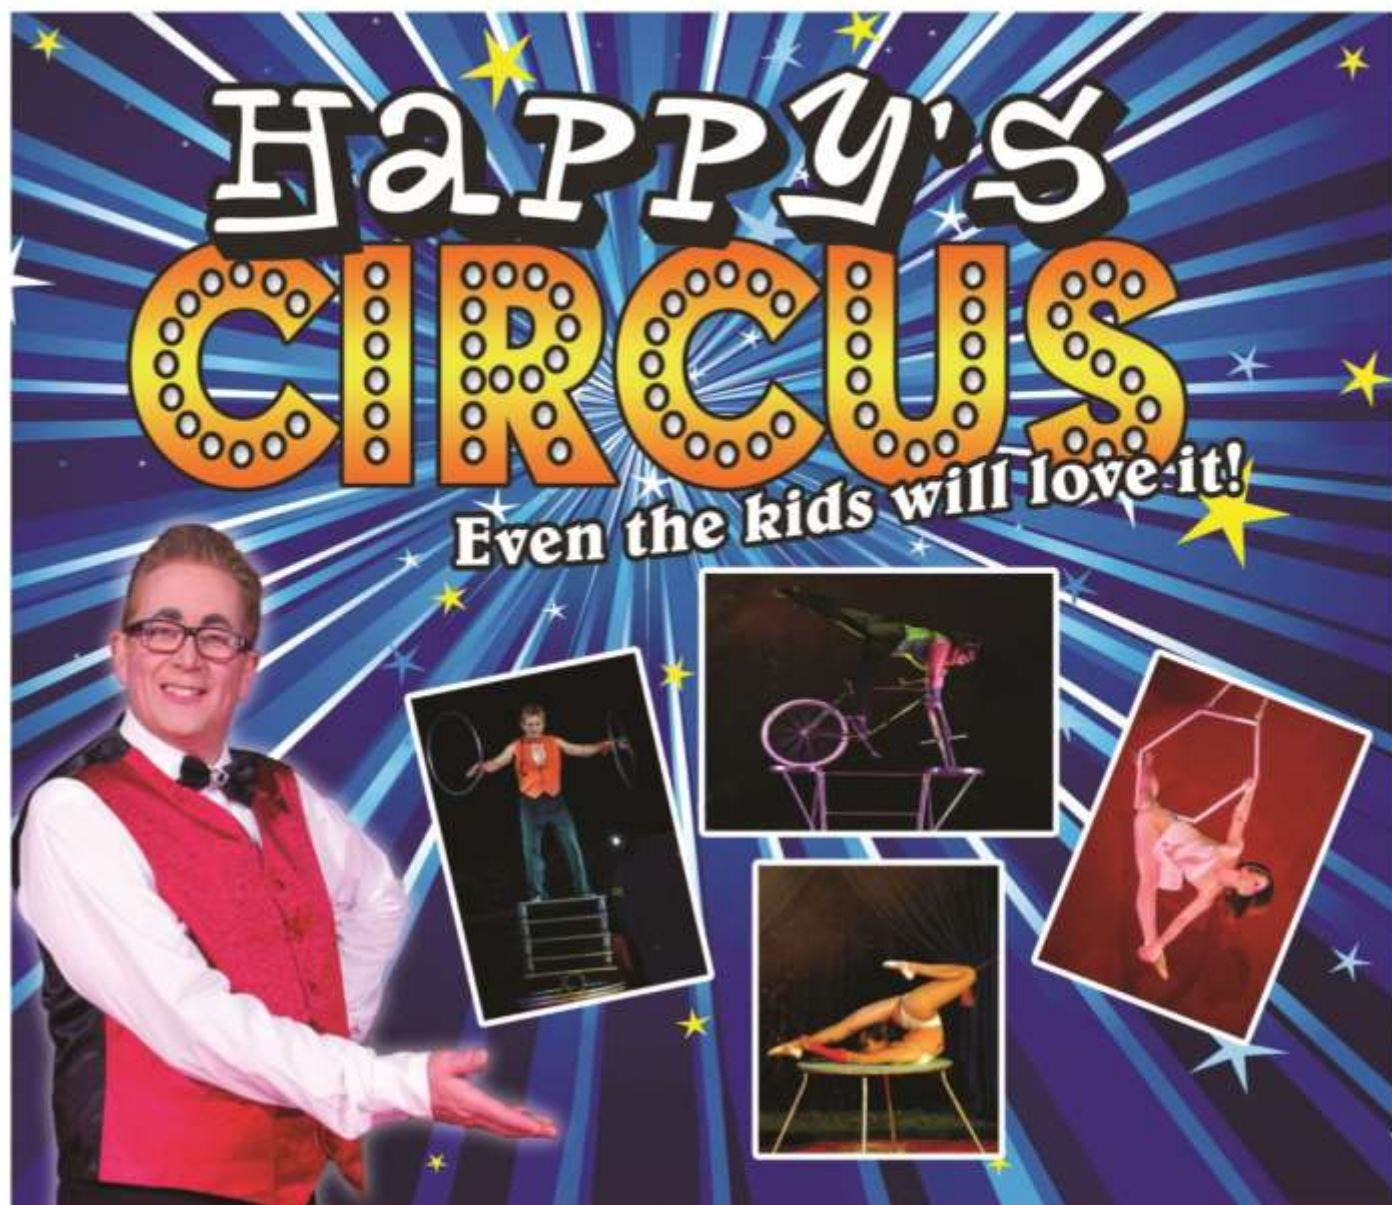

They will be representing the parishes along the River Thames - one for every mile

Needless to say, the pace will be slow and the distance is low - just over 3miles.

So participants don't have to be super-fit, just keen on helping to raise money for a good cause, and enjoying the fame and camaraderie .
