EMERGENCY ROAD CLOSURE

Kempsford to Hannington

A badger sett of approximately 100m directly under the carriageway has forced Gloucestershire Highways to close the road from Kempsford to Hannington. There is evidence of tonnes of aggregate that has been removed from underneath the road and failings in the surface.

A licence to remove the badgers has been requested from Natural England but due to breeding season work will not be granted until July 1st.

Work will commence on the 1st July and it is estimated to last a couple of weeks .

Due to the risk of the road collapsing and a risk to life, the road will remain closed until the works are complete (around the 15th July). Please respect the road closure as it is for your own safety.

Diversion signs will be in place.

A copy of the formal Road Closure Notice will be available to view on the Parish Council website shortly—www.kempsfordparishcouncil.net

TEMPORARY CLOSURE C/172 CHAPEL ROAD (KEMPSFORD PARISH) COTSWOLD DISTRICT

Gloucestershire County Council intend to make an order under the Road Traffic Regulation Act 1984 (as amended) to temporarily close part of the C/172 Chapel Road from its junction with C/175 High Street to its junction with 400994 Top Road for a distance of approximately 130 metres.

The reason for the closure is to carry out works in the carriageway.

The road is expected to be closed on 3rd June 2019 until 5th June 2019 or until the works have been completed. For further information, please contact Gloucestershire Highways on **08000 514 514** or visit **www.gloucestershire.gov.uk**.

Alternative Route - as signed on site

Pedestrian and Emergency access to premises on or next to the road will be maintained.

DATED: 16th May 2019

A new way for your highways

How things will work

From 1st April 2019 the Gloucestershire County Council highways service will be operating differently. We will be moving away from a single highways provider in order to work directly with suppliers, getting closer to what is happening out in our communities. As part of this new operating model the council will be taking more responsibility for some services including the customer service team and front line Area Highway Representatives as well as the design and supervision of structural maintenance (resurfacing) works.

The council will use different providers to deliver three main aspects of the county's road works; general maintenance (Ringway), structural maintenance (Tarmac) and highways professional services /major projects (Atkins). As well as this three pronged approach we will continue to have Skanska delivering the street lighting service and Telent providing the traffic signal service around the county.

Key to this new way of delivering highway services is all of the partner organisations working together as one team, committed to living within the County Council's values and with the same vision in mind:

You can send us a message 24 hours a day 7 days a week, whenever it is convenient for you

RAF Fairford - Bomber Task Force post-deployment operations update

RAF Fairford recently hosted a United States Strategic Command, Bomber Task Force deployment of B-52 Stratofortress aircraft from the 2nd Bomb Wing, Barksdale Air Force Base, Louisiana. Six B-52s arrived at RAF Fairford between 14-15 March, along with over 400 support personnel, who made RAF Fairford their home for a few weeks.

The deployment of strategic bombers to RAF Fairford helps to exercise the base as the **United States Air Forces in Europe's Forward Operating Location for bomber aircraft**. The strategic bomber missions from Fairford enhance the readiness and training necessary to respond to any potential crisis or challenge across the globe.

During their time here, Airmen from the 2nd Bomb Wing flew missions over several areas in the European theatre, including Estonia/Baltic Sea, Norwegian Sea, Greece/Mediterranean Sea, Poland, Lithuania, Latvia, Iceland, Norway, Netherlands, Romania, Hungary and Morocco, where **they took part in the annual "African Lion" training exercise**. These missions enabled the deployed personnel to conduct interoperability training with NATO Allies. Joint training opportunities like these enhance the ability to operate together and sharpen the readiness of the NATO alliance.

RAF Fairford has been designated as a USAF bomber Forward Operating Location since the 1990's, and enables the US and NATO to conduct a full spectrum of flying operations in the European theatre. The deployments mean that the base experiences periods of airfield activity followed by quieter periods. For reasons of operational security it is not possible to give specific dates when airfield activity will start and end.

In addition to the above, it has recently been announced that the USAF 95th Reconnaissance Squadron and 488th Intelligence Squadron will relocate the RC-135 RIVET JOINT mission from RAF Mildenhall to RAF Fairford as part of the European Infrastructure Consolidation. RC-135 aircraft will also use RAF Fairford as a Forward Operating Location and deploy as required from the United States. Planning has started for the relocation of this mission, which will involve around 880 personnel plus family members, who will be stationed at RAF Fairford and become part of the local community. The relocation of personnel is expected to begin in 2023.

Dear Friends,

I wish you all a very happy Easter, though it seems somewhat ironic to do so in light of the terrible events of Easter Day in Sri Lanka. The peoples of Sri Lanka were remembered by us in prayer in church later that same day, singled out amongst all the people in the world on this occasion because of the atrocity.

A striking image from the devastation is from the church of St. Sebastian in Katuwapitiya. A statue of Christ, arm and eyes raised to heaven is shown, damaged by the explosion and splattered with blood. The attitude of the Christ is one that I am sure most people feel. Why is there such violence? Why doesn't our loving God prevent such horror? There is such an attitude of appeal in the image, of confusion too.

The age old dilemma of the Christian faith has been to try and resolve the issue of suffering in this world. Whilst various suggestions of punishment for sin, it enabling us to grow spiritually and allowing greater appreciation of a pain free afterlife have been mooted over the centuries, there is nothing that really satisfies the purely rational mind. We have to rely on faith ultimately, that is will somehow make sense eventually, even if we can't see it now.

I often wonder how much God feels the same way about suffering though. We have been given a wonderful planet, and yet we squander so much of it. We have wonderful minds and technologies, and we make missiles and dangerous drugs.

I can almost picture a mirror image of the Christ in St. Sebastian's church, looking down from the heavens, eyes and body language expressing the same ideal of horror and appeal. Why do you hurt one another so much?

The Easter message is one of hope and new life. I pray it is heard especially clearly this year, for it seems to be so very much need by us.

God bless, Nick

AIR TATTOO THANKS **ITS** 'NEIGHBOURS' **WITH DISCOUNTED TICKETS**

The Royal International Air Tattoo is **offering half price Friday and Sunday tickets to next summer's** airshow.

Valid for Friday 19 and Sunday 21 July, residents with specific postcodes living close to RAF Fairford – where the world-famous military airshow is held – have until May 31 to purchase up to two discounted **tickets per residential household as a 'thank you' for their support.**

Next summer's event is set to be 'out of this world' as not only will the airshow feature the world's most exciting aircraft, but it will turn its spotlight into space.

The airshow's theme *Air & Space: inspiring the Next Generation Air Force* follows an announcement earlier this year that the Royal Air Force **will be taking command and control of the UK's military space** operations, reflecting the importance of space in ensuring successful military operations around the world.

The focus on space will be particularly poignant as the 2019 airshow will be staged on the same weekend, 50 years ago that the first Moon landing took place in 1969.

Andy Armstrong, Chief Executive of RAF Charitable Trust Enterprises, which organises the event, said: "2018 was a very special year as not only did we welcome a record-breaking 185,000 visitors to RAF **Fairford, but we were honoured to be the 'official international celebration' of the Royal Air Force's** centenary.

"To mark the occasion, the Friday of last **summer's** show featured a full flying display and in recognition of this added disruption **and to show gratitude for locals' cooperation,** we offered free admission tickets to those living nearby.

"Next year will see the Friday of the airshow revert to a shorter, preview day with a limited number of tickets. However, **we still want to recognise our neighbours'** support and therefore we are giving locals, living within selected postcodes, the opportunity to purchase half price tickets for the Friday and Sunday of **the airshow"**.

The residents' discount reduces the price of an adult admission ticket from £57.00 to £28.50.

To secure half-price tickets, residents with specific postcodes, must visit Air Tattoo HQ, located at Douglas Bader House, Horcott Hill, Fairford, GL7 4RB, 9am-5pm, Monday-Friday and bring a household bill or document displaying a name, address with valid postcode and photo ID.

The deadline for purchase is 5pm on Friday 31 May 2019, no tickets will be available after this point.

The Royal International Air Tattoo is staged annually in support of the RAF Charitable Trust. To find out if your postcode is eligible for a discounted ticket, or to discover more about the airshow, visit

www.airtattoo.com.

Kempsford School needs a new Clerk for the Weymouth Trust

Sally Scarth (School administrator from 1994 – 2004) would like to hand over the role of clerk to the Weymouth Trust after voluntarily doing the job for over 20 years.

The role is not time consuming or difficult and can be undertaken by a parent, member of staff or anyone interested. The trust was founded in 1709 and among the first trustees were John Faulkner, William Battersby and William Arkell (hence the name of the school's houses). There are only three short meetings during the year where Minutes need to be taken. The trust receives a small income which finances the annual leavers' gifts and special awards at the end of the summer term.

If you are interested in helping the school out in this way or would like more information about the role please contact Sally by email: sally.scarth@outlook.com or Carolyn Sleight at the school office: admin@kempsford.gloucs.sch.uk.

The Post Office service has returned to Kempford Village Hall, following the recent refurbishment, and is open between 12:00 hrs and 14:00 hrs every Thursday.

Police warning following recent telephone fraud

We're asking residents across the county to be alert to the danger of telephone banking frauds after an elderly woman was recently defrauded of £13,000 when criminals called her and told her that her bank account had been the subject of fraudulent activity.

Claiming to be calling from the police the criminals duped the woman into giving details of her account and transferring funds to theirs.

Please be alert and warn friends and family of this scam.

And stress the following:

- Your bank and the police will never ask for your PIN
- If you receive one of these calls end it immediately
- If you think you or someone you know has been targeted, report this to Action Fraud
- If you have handed over any details to the fraudster, call your bank and cancel your cards immediately.

If you want to call your bank, then do it from another telephone.

More advice on this type of fraud can be found at :

www.actionfraud.police.uk

If you believe you or someone you know has fallen victim to this type of crime please report it to Action Fraud on 0300 123 2040 or via 101.
