Parish Council Meeting Dates

The Parish Council was hoping to be able to resume face to face meetings in September, but the recommended advice from the National Association of Local Councils is that Parish Councils should continue to meet remotely.

Meetings will continue to be held via Zoom video conferencing software. If any member of the public wishes to participate, please contact the Clerk for further information. It would also be helpful if the topic of any questions to be asked could be provided in advance.

Our Ref: 11283442 – 859060

21 September 2020

Dear Sir/Madam

What: Temporary Traffic Order to close the road for carriageway resurfacing

Where: 3/168 Horcott Road, Whelford. See overleaf for details of road closure.

When: For approximately 10 Nights (excl. weekends) between the hours of 19:00 to 07:00

The PLANNED start and end dates are currently Thursday 8th October to Wednesday 21st October, however keep an eye on the web page detailed below or the signs on site for any short notice changes.

Our resurfacing programme is dependent on several factors. It can be affected by things like; heavy rain, changes in temperatures and other weather events as well as plant breakdown and unforeseen technical issues that arise once work has begun. All this means scheme dates and details can change at short notice. We appreciate this is inconvenient, and we will keep our online schedule and our social media feeds updated with more details if changes happen.

Find the **most up to date scheme start and end dates** and more information about this scheme via our:

- Website – www.gloucestershire.gov.uk/resurfacing
- Signs in the area

You can also check for any updates on our website or our social media platforms.

- Facebook – Gloucestershire Roads
- Twitter - @GlosRoads

If you do not have access to the internet or social media you may wish to ask friends or neighbours to help you access our website. If you know of neighbours who cannot access our website, please share this information with them.

ROAD CLOSURE

We will be resurfacing the road at the above location as part of our promise to invest £150 million in the county's roads. To ensure the safety of you and our work force we have, under Sections 14, 15 & 16 of the Road Traffic Act 1984 as amended, made a Temporary Traffic Order to close the road.

Due to the type of engineering activities required with carriageway resurfacing, the road closure can cover an area greater than the area being resurfaced. This is to allow activities, such as movement and placement of machinery and material.

We appreciate road closures are inconvenient, but in order to keep you and the team working on the road safe it is necessary. We have planned the work so we can be in and out as quickly as possible and have tried to do it at a time that will minimise any inconvenience.

ACCESS

In accordance with the Temporary Traffic Order, we are not permitted to allow any person or vehicle to proceed along the closed roads; with the exception of pedestrian access to properties, emergency vehicles, and statutory undertakers responding to an emergency situation.

Therefore, if you normally drive into or out of this area during the hours when the road closure is in place, we ask you to please make alternative arrangements.

In exceptional circumstances, some level of access may be considered. This will be on a case by case basis and only where it doesn't impact on our ability to carry out the work and where it is safe to do so. Any access during this time would be at the drivers own risk as it is a works site and may have raised iron works or a temporary surface.

DIVERSIONS

We have created an official diversion route which will be signposted and is suitable for all vehicles that would normally use the closed road. We appreciate you may know an alternative route, however please be aware alternative routes which are outside of the road closure area are used at driver's discretion.

Contact Us

- Thank you in advance for your patience and co-operation. If you have any queries please refer to the Frequently Asked Questions leaflet delivered with this letter, visit our web site www.gloucestershire.gov.uk/resurfacing Or email us at highways@gloucestershire.gov.uk

Below is a map showing the extents of the road closure.

For more information on this project, visit www.gloucestershire.gov.uk/resurfacing or contact us on 01452 344444

Road closures – your questions answered

It is often necessary for us to temporarily close a section of road for essential resurfacing or maintenance work. We close the road for safety reasons and also to get the work done as quickly as possible.

You are receiving the following information because you live or work on a section of road that is due to be temporarily closed in the near future. We hope this will help answer any questions you may have.

Properties immediately affected by the road closure should have received a letter with further details. If not please contact highways@gloucestershire.gov.uk.

Question	Answer
Will we be able to drive back and forth from our property while the road is closed?	As the work involves hot asphalt and large equipment, we will be unable to allow traffic through the Road Closure. If you normally drive into or out of the Road Closure during the hours when the closure is in place, we ask you to please make alternative arrangements. In exceptional circumstances, some level of access may be considered on a case by case basis but only where it does not impact our ability to undertake the necessary works and where it is safe to do so.
Can I walk through the road closure?	Pedestrian access will be maintained to properties within the road closure and you will be allowed to proceed when it is safe to do so.
Why can't you do these works at night?	We always consider night working as an option but it is often not feasible due to environmental restrictions related to noise, particularly in residential areas.
Where am I expected to park while the road is closed?	If you usually park on the road within the Road Closure, you will need to find alternative parking nearby during the hours of the road closure. There is a possibility that your vehicle may be towed out of the area if it is obstructing the works. Off-Road Parking will not be affected however vehicle access will only be granted in exceptional circumstances where it does not impact our ability to undertake the work and where it is safe to do so.
I'm expecting a delivery to my home during this period – will it get to me?	Delivery drivers are often happy to park nearby and use pedestrian access to make their delivery. Vehicle access through the Road Closure will not be possible, therefore to avoid disappointment please consider rearranging any deliveries for after the work is finished or outside of the road closure hours.
We are a business, how will staff / customers / deliveries be able to get through?	Please encourage staff, customers and deliveries to access the business outside of the Road Closure hours. If this is not possible, please encourage staff and customers to park nearby and use the pedestrian access. In exceptional circumstances, some level of access may be considered on a case by case basis but only where it does not impact our ability to undertake the necessary works and where it is safe to do so.
I'm disabled and need vehicular access to my property – can this be accommodated?	In exceptional circumstances, some level of access can be considered on a case by case basis but only where it does not impact our ability to undertake the necessary works and where it is safe to do so. Please call our Customer Contact Centre with details of your circumstances or, if work is already underway please let our gateman or site manager know your circumstances and they will do what they can to assist.
We are expecting home visits from a carer / district nurse / midwife during this period – will they be able to get through?	Please let your carer / district nurse / midwife know about the road closure as they may need to allow extra time for the visit in case of delays. It is likely that vehicle access through the Road Closure will not be possible, therefore it is suggested that visitors park outside of the road closure and use the pedestrian access. Please call our Customer Contact Centre with details of your circumstances or, if work is already underway, please let our gatemen know of any expected visits in advance and they will do what they can to assist.
This road is on a bus route, what will happen to the buses while the road is closed?	We notify the bus companies about road closures well in advance, they will have arranged alternative routes. Please contact your bus operator for more details.
How will our rubbish and recycling be collected with the road closed?	Your refuse collector will have been advised of the closure well in advance and should have made alternative collection arrangements. Please contact your refuse collector for more details.
Why does the diversion route have to go so far?	Official diversion routes that use roads of an equivalent classification will be signposted. This allows HGV's and buses to be confident that the roads are suitable for them in terms of weight restrictions and low or narrow bridges.
How are you going to stop traffic from using the road past my house?	Official diversion routes will be signposted that use roads of an equivalent classification that are suitable for weighted vehicles such as HGV's and buses. With regards to local traffic movements, we have no authority to stop individual road users from deciding to use alternative routes outside of the road closure.
email us at highways@gloucestershire.gov.uk You can also report issues at www.gloucestershire.gov.uk/reportit	

ADVANCE NOTICE!

FESTIVE CAKE STALL ORGANISED BY KEMPSFORD COMMUNITY CAFÉ

Unfortunately due to the current Covid-19 situation we regret that we are not able to re-open the monthly café for the time being.

However we are planning to hold a table sale of seasonally festive cakes for Christmas on

Thursday 10th December 11 am - 2 pm.

We are also planning a pre-ordering and home delivery service on this date, please contact Dawn on 01285 810419 after 1st December for more details.

New members are always welcome

CHURCH YARD TIDY UP

Meet at St Mary's Kempford

Saturday 10 October from 9.30 am till 12 noon

If you would like to come and help us tidy up the church yard, clear away the long nettles and leaves, or you would like to help the team cleaning inside, reaching the corners that do not get cleaned on a weekly basis, you will be very welcome

You will need your own tools, dusters and polish and bring a mug.

Refreshments of tea and coffee will be served.

ROYAL BRITISH LEGION POPPY APPEAL 2020

Due to the Covid 19 Corona Virus, and for the safety of the Public and Volunteers, the Royal British Legion will not be conducting House to House Collections this year. That said, poppies may be available at static points such as the Shell Garage and the local pubs, providing the management/landlords agree.

Wreaths will be available for the Remembrance Sunday Church Services and the respective collections will go to the British Legion to support the welfare needs of our service/ex Service personnel.

Thank you so much for your kind support over the years from Kempsford, Whelford, Dudgrove, Dunfield and Castle Eaton. Let us hope that things can get back to normal in 2021.

Alvin M Hill

Squadron Leader (Ret'd)

Local Area Organiser

Community Wellbeing Service in the Cotswolds

The Community Wellbeing Service in the Cotswolds provides support to improve the health and wellbeing of the community and residents. The effects of the COVID19 lockdown have increased the loneliness and social isolation that we faced in the district, along with the effect it has had on those suffering with mental health issues. If you, or anyone you know has faced issues relating to the above, or other factors impacting their health and wellbeing, then please get in contact for our support.

We are accepting new referrals from anyone in the community, health professionals and self-referrals.

For more information on the service and what we can help with please visit our website <https://www.grcc.org.uk/individuals-and-families/community-wellbeing-service>. To get in contact please call 07738 106384 or email cws.grcc@nhs.net.

Dog Fouling

Dog mess is the most unacceptable and offensive type of litter on our streets. It is unpleasant to see it in parks, on the pavement, and especially on your shoe!

While many dog owners are caring, responsible individuals, there are still some people who do not clean up after their pets. Dog fouling is consistently one of the highest sources of complaints by the public to the District Council. Dog fouling is seen as one of the biggest nuisances blighting public spaces. Not only is it an unpleasant sight and smell, its unhygienic and spreads disease.

Dog fouling is not only unpleasant, it is dangerous. Whilst rare, contact with dog excrement can cause toxocariasis. This is an infection caused by the roundworm *toxocara canis*. The eggs of the parasite can be found in soil or sand contaminated with dog faeces and if swallowed, result in an infection that lasts between 6 and 12 months and can cause blindness. With infected soil samples often found in play areas, toxocariasis most commonly affects children between 18 months and 5 years.

If individuals wish to take action against a dog owner who has not cleaned up after their dog, they should report to the District Council, details of the offence. To include the name and address of the person in charge of the dog, a description of the dog, plus details of the date, time and place.

Cleaning up after your dog is one of the key responsibilities of dog ownership, especially in public places. The best way is to use a doggy bag, or a carrier bag, to pick up the faeces. Ideally this should then be placed in a designated dog bin. However, a lack of a nearby bin is no excuse. To bag it and leave poo bags in trees, on fences or on the ground is also completely unacceptable as this is extremely bad for the environment.

“Dogs and the Law “

The Cotswold District Council Public Spaces Protection Order (PSPO), makes it an offence if you do not remove any poo deposited by your dog. This removal must be done without delay.

Any breach of the Order could result in a £100 fixed penalty notice or being taken to court and receiving a fine on conviction of up to £1000. The PSPO does not apply to blind or partially-sighted people with guide dogs and those with other trained assistance dogs.

Please see a video produced by Rochford Council in their efforts to engage with dog owners “Poo to me” <https://www.youtube.com/watch?v=NVTSlxkixUs>

Download our leaflet at: https://www.cotswold.gov.uk/media/r2rawgk0/dog-fouling_cdc-leaflet-jan-2020.pdf

LET'S S.C.R.A.P. FLY TIPPING!

We ALL have a DUTY OF CARE, to ensure our household or business waste is disposed of legally and not fly tipped. Avoid an UNLIMITED FINE by following the S.C.R.A.P. code:

- S**uspect ALL waste carriers
- C**heck with the Environment Agency on 03708 506 506 that the provider taking your waste away is licensed
- R**efuse unexpected offers to have waste taken away
- A**sk what will happen to your waste
- P**aperwork should be obtained – get a full receipt

Around two thirds of fly tips are household waste.

These are all examples of fly tipping which YOU could be fined or prosecuted for.

Did you know?

DUTY OF CARE

Under section 34(2A) of the Environmental Protection Act 1990, Domestic Duty of Care, you can be issued a fixed penalty notice of up to £400 if you don't dispose of your waste correctly.

This includes:

- If fly tipped waste is traced back to **YOU**
- If **YOU** failed to make appropriate checks to ensure the transfer of **YOUR** waste was to an authorised person
- If **YOU** forget to check if the waste carrier is registered to remove **YOUR** household waste
- If **YOU** forget to get a Waste Transfer Note or receipt for the waste which gives a description of the waste, where it was collected from and where it's going

If **YOU** fail on any of the above, then **YOU** may receive a fixed penalty notice or face prosecution.

For more information on preventing fly tipping or to report fly tipping

or there is a Facebook page The 5 Villages

Autumn is definitely upon us; the mornings are fresh and leaves begin to fall. **We've celebrated Harvest Festival at church and with our school classes, and a lot of food has been delivered to the Foodbank to share with those who need it. Thank you to everyone who gave so generously, it's been wonderful to be a part of that sharing and caring.**

As the season turns, amidst the beauty of the colours and thankfulness for the harvest, it looks as though we may be in for a difficult winter with further restrictions ahead. No-one will be looking forward to this, but we know now what to expect and what we need to do. I am confident that the systems that evolved to support others will resume if they are needed, and we will again care for our neighbours and those who are vulnerable.

There are always signs of hope, as we adapt to change - our Family Service moved out into the churchyard last Sunday and the children enjoyed examining nature in more detail; an Autumn Scarecrow Festival is being planned to cheer us during half-term. The creativity and resilience of people is irrepressible and I believe God will uphold us and give us stamina for what lies ahead.

There is a financial impact being felt in many areas of life due to the virus and the church has been heavily impacted. If you have enough, and feel able to give a donation towards the running costs of either of our churches, that would be wonderful. You can do this easily online by visiting:

<https://givealittle.co/campaigns/d3963f3d-f641-49e7-bf00-e76b760c9af6>

There will also be church and churchyard tidy up on Sat 10th October at 9.30am. Bring tools, gloves and a mug – **we'd be very glad of your support.**

Best wishes, Rev Kim

FRIENDS OF FAIRFORD & LECHLADE COMMUNITIES

(Reg. Charity No: 1180059)

YOUR LOCAL CHARITY

Serving Fairford, Lechlade and the surrounding villages.

(Formerly League of Friends of Fairford Hospital)

News and Information from your Community Friends

DELAYED ANNUAL GENERAL MEETING FOR COMMUNITY FRIENDS

Due to Covid-19 we have been unable to hold our AGM and because of current restrictions and social distancing requirements it is not possible to organise one in the traditional manner. We have therefore decided to organise a 'virtual AGM' using the Zoom video conferencing facility. We accept that this is not ideal as not all of our members will be able to access this but we consider it important that we hold the AGM for the financial year 2019. We will also look at how we can get the Annual Report and Accounts and the AGM Minutes to all of our members including those who do not use or have access to electronic media.

We are planning to hold the AGM during the month of November and once we have finalised the date this will be published in the normal way.

COVID-19 COMMUNITY FUNDING SUPPORT – REMAINS OPEN FOR APPLICATIONS

The Community Friends' Covid-19 Support Fund established to provide financial support to local organisations, charities, volunteer groups, families and individuals who have been impacted by Covid-19 remains open for applications. To date from 34 applications grants of approximately £37,000 have been made providing financial support to 23 different charities, organisations, families and individuals within our area of benefit.

Please refer to our website for details of how to apply and the criteria we use to assess applications (www.friendsoffairford.org.uk).

CHRISTMAS BAZAAR 2020

It is with regret that the Friends of Fairford & Lechlade Communities' well-supported Christmas Bazaar will not be taking place this year. This will be a disappointment for all who help and support this great event. The current environment and social distancing requirements preclude us from fund raising in this traditional way. We thank you for your understanding. Our fund raising activities have been restricted this year, but we will be reminding those who are members of our **100 Club** to renew their subscriptions shortly. We really want to increase the number of members, so please look out for details of how to subscribe in the November and December issues of local magazines and thank you for your on going support.

CHARITY SHOP – LECHLADE

The Community Friends' Charity Shop in Lechlade has now reopened. Due to Covid-19 we are operating different opening hours and will also be taking donations by appointment only, as noted below. These changes will help us to operate in a Covid-19 safe environment and we thank you for your patience and understanding in working with us on this.

Opening hours:

Wednesdays to Fridays 10.00 am to 03.45 pm Saturdays 09.00 am to 01.30 pm

We will be open on Mondays for taking in donations. **This will be strictly by appointment only.** To make an appointment please telephone the Manager during opening hours on **01367 252189**.

We will be closed on Tuesdays when we will be sorting and cleaning.

Information on what we do and how to subscribe to our 100 Club can be found on our website www.friendsoffairford.org.uk and the names of our existing team of trustees are listed on the Charity Commission's website.

How what3words can help 999 #KnowExactlyWhere

what3words is now used by 80% emergency services in the UK and has helped to locate nearly 4,000 incidents since it first started being used.

*Their system has given every 3m square in the world a unique identifier made of 3 words - making the location of any emergency or incident very easy to describe and share. For example **///tortoises.swarm.announce** will take you to a precise location on Ben Nevis where, in February 2020, a group of hikers were rescued.*

Make sure you download the free app in advance to be prepared..

Being able to give your precise location in an emergency can save vital time and lives.

Make sure you're prepared by downloading the free @what3words app so you can help 999 #KnowExactlyWhere the emergency is.
