# WAYSIDE TALES

Telling stories, both old and new of the Cotwolds  
through music and song

I'm embarking on a project to collect and tell the stories of my local area in music and song, to be released in Spring 2019.

It's always struck me that all the beautiful folk songs I know tell tales of the past and preserve these stories for generation, but the tales of more recent years are often lost or otherwise captured on social media.

I want to delve into the tales of old and recent years and tell them through my song and music. My home and family mean the world to me, so this is where I will start - my tiny village and the secrets that lay hidden.

The first track of my Wayside Tales project is underway! Pink was inspired by a war horse's grave in the fields around my house.

I would be honoured if any member of the local community would be willing to share their stories with me to assist with the project.

Please contact me on 07713 812378 or through my website –

Thank you

# Five simple steps to pre-sorted recycling

Pre-sorting recyclables ensures they are of good quality, so they can go on to be recycled easily. Getting it right really makes a big difference and means we can recycle even more from the kerbside.

Follow our step-by-step guide to find out how!

## Step 1

Use one recycling box for paper and magazines

Please secure your lids on your boxes!

## Step 2

Use a second recycling box for glass bottles or jars.

## Step 3

Use your white recycling sack for tins/cans, aerosols, plastic bottles, food trays, yoghurt pots and other rigid plastics.

## Step 4

Use your blue recycling sack for brown corrugated cardboard or light card. All cardboard must be in the sack.

## Step 5

Use your green caddy for food waste. Use compostable bags, or line your caddy with paper to keep it clean.

## Lechlade & District Lions Club

Lechlade and District Lions Club were delighted to visit the 'Splash of Red' to present a cheque for £250.00 towards the purchase of a new portable organ/piano.

Kempsford Village Royal Celebration Day

***We would like to thank everyone who joined in the village festivities on 19<sup>th</sup> May.***

*The Fun Run welcomed both children and adults and even some runners in costumes. The school choir gave a cheerful and tuneful start to the packed out Celebration Tea Party in the Village Hall, with the glitter crowns activity proving so popular that the school received even more crowns the following week! 'Prosecco and Pimms' lunches at The George provided an added sparkle. The Grand Finale Concert saw a packed church enraptured by the talents of clarinetist Anna Robinson and pianist Myles Tyrrel. Concert goes, inspired by the voice of Cirencester Male Voice Choir, enthusiastically sang Land of Hope and Glory, with flags waving aloft. The day ended with The George being packed out with revelers from both daytime and evening festivities.*

*Our thanks also go to the village families, Lechlade Garden Centre, the Royal Airforce Charitable Trust and D.W. Fitness First who kindly donated the prizes for the Grand Draw and everyone who helped us to advertise the day.*

*We estimate that we raised just over £1300 to be shared between the school, Village Hall and St Mary's Church.*

# Volunteering Opportunities in Kempford Parish

If you have time to spare why not consider helping with these worthy causes?

## Rainbows (for all girls aged five to seven)

Rainbows learn by doing – they get their hands dirty, do sports, arts and crafts and play games. Being a Rainbow is all about having the space to try new things. Through taking part in a range of different activities with girls their own age, Rainbows develop self-confidence and make lots of new friends. We're looking for volunteers to assist with the running and planning of weekly meetings (Wednesday 4pm - 5pm) during term time.

## Brownies (for all girls aged between seven to 10)

The Brownie programme deserves to be called an adventure. The name reflects the world of new opportunities, challenges and fun that girls become part of when they join.

Girls go along to camps, holidays, day trips and sleepovers. They get together with their friends at regular meetings where they learn new hobbies, play music, explore other cultures and have outdoor adventures.

As well as following the Brownie Adventure programme, girls choose from interest badges related to things they want to know more about.

We're looking for volunteers to assist with the running and planning of weekly meetings (Thursday 3.30pm - 5pm) during term time.

For more information contact Philippa Griffin ([kempfordbrownieunit@gmail.com](mailto:kempfordbrownieunit@gmail.com)) or visit <http://www.girlguiding.org.uk> to register an interest.

If any other organisations are looking for volunteers and would like to advertise here please contact Mark Strange ([mark.a.strange@gmail.com](mailto:mark.a.strange@gmail.com))

## Kempford Angling Club.

Last season ended on 14th March and was fairly normal.

River levels were reasonable but the long cold winter did not encourage too much fishing.

As a reminder of the fish that are present, they can be listed as follows; chub, roach, dace, perch, bream with some pike, barbel and brown trout. Additionally, quite extensive bank clearance has been carried out recently which means there are a lot more fishing places available.

Next season begins on 16th June when annual subscriptions are due.

For further help and advice, please call Jim Hussey on 810446.

Lay Preacher – Rob Mitchell (01285 712821)

Churchwarden – Elizabeth Emberson (dizylizzie@sky.com)

Dear friends

I've now been part of the life of Kempsford & Whelford churches for nearly a year.

To begin with, I was supporting Lynn Hayler as she took the lead in the parish – an excellent and very happy final year of her training before she left to be vicar in her own right of a parish in Derby shire. (I visited her there a month or so ago, and – not surprisingly – found her to be flourishing in her new role.)

Since then I've had a more hands-on involvement, leading worship regularly and sharing in other aspects of parish life. It's been a great pleasure .. I think that of all the churches in our twenty-one village team, Kempsford & Whelford are amongst the most satisfying for a vicar to work in. There's an enthusiasm, an openness to new possibilities and a willingness to share the workload that is really heartening.

At the same time I'm acutely aware that living at a slight distance, and with other villages claiming my attention (two of which share the same Sunday service -time as Kempsford!), it's hard for me to give the level of involvement that a community the size of Kempsford ideally needs. We could do with a resident vicar! The good news is that to have our own vicar living in the village is still firmly the intention .. and will remain so. There's a church house available, and there's money in the budget. We just need the right person. Behind the scenes some of us are working to help that happen .. but it's proving surprisingly difficult.

Meanwhile, I'm very pleased to be your Team Vicar .. and I hope to make the very most of it. I'm gradually getting to know church members and other village residents .. if I've not knocked on your door yet to introduce myself, why not drop me an e-mail and encourage me to do so?

And come and join us at church sometime – you'll find a warm welcome, whether you come often or rarely.

Every blessing

## HMRC Scam Phone Calls - Itune Voucher Scam

Gloucestershire police incident 223 15/06/18

Police have received a report which has been confirmed as a scam phone call fraud. Residents in the North Cotswolds have been phoned by a male with a foreign accent saying he works for the Tax office (HMRC)

The victim is asked to go to Stow Tesco and buy £1000 in iTunes voucher to pay off the debt they owe in tax to HMRC.

The caller asks that they keep this secret from family, friends and the police and when buying the iTunes vouchers they are to tell the store the iTunes vouchers are a gift. The victim is then called again once they have the vouchers to give the code over the phone. Thankfully staff at Stow Tesco have been appraised and will not allow larger amounts of iTunes voucher to be sold. On this occasion no one has been victim of this type of fraud. Police are asking the public to be aware of this and similar scams where the caller wants payment in vouchers or a credit card.

Always check the caller identity. Never give away personal details such as nation insurance numbers, bank account details, credit and debit card details over the phone.

Always keep your credit and debit card PIN secret.

Your bank will never ask for these details over the phone nor will police or any government agency.

If you think the call is a scam, just hang the phone up and report this to police.

Please report any information regarding this or any other crimes to the police by ringing 101 or by email on [101@gloucestershire.police.uk](mailto:101@gloucestershire.police.uk).

WHELFORD ROAD FOOT AND CYCLE PATH

Dear Resident

We are particularly concerned about the large numbers of people that gather on the Whelford Road to watch the aircraft each year. They choose to take no notice of the warning signs that we erect and seem quite content to take the risk associated with standing underneath the aircraft approach. Many residents have also raised their concerns that the foot and cycle path can be very congested, making it very difficult to pass by.

The recent devastating events at Manchester Arena and the hostile vehicle attack on Westminster Bridge also serve to remind us that there are people out there who wish us harm. Whilst there is no suggestion that there is a direct threat to those watching the aircraft at RIAT, there is no doubt that the gathering of significant numbers of people on an unprotected foot and cycle path does present a relatively soft target to those with evil intent.

As the organisers of the Royal International Air Tattoo we have a duty of care not only to those who enter the venue but also to those who gather in the surrounding area because the event is taking place. This duty of care extends not only to aviation-related safety but also to general safety including that from hostile vehicle activity.

Our previous attempts to warn people that they are at risk has had limited effect and, consequently, we believe that to fulfil our duty of care we need to do more; we need to do everything we can to reduce the risk to as low as reasonably practicable and to a level that we believe is tolerable. To that end, with the support of the Local Authority and Gloucestershire Police, we are introducing an additional measure on the Whelford Road foot and cycle path to improve safety for the public.

With effect from midnight 9<sup>th</sup> July until approximately 0900hrs on 17 July the foot and cycle path will be diverted onto trackway laid in the field adjacent to the path to the South. This diversion will be effective from opposite the telephone box in Whelford to the RAF Fairford Site 16 close to Washpool Lane.

We recognise that this will not be popular to some local residents or visitors from further away. However, we trust that you will understand that the measure is being taken in the best interests of public safety.

If you have any questions about this issue please do not hesitate to contact us on 01285 713300 Ext 5361.
