Council allocates £200,000 for community projects

Photo - Leader of the Council Cllr Mark Annett

Members of Cotswold District Council have today agreed to allocate £200,000 to a long-standing Community Projects Fund which helps local residents update community buildings and invest in play facilities for children.

The scheme awards projects sums ranging from £1,000 to £10,000 on the basis that the **CDC grant would constitute up to 25% of a project's total cost.** However, experience shows that these grants could be much more valuable because they often enable bidders to attract further contributions to the costs from various charitable sources. Based on previous funding, the Council estimates that an allocation of £200,000 should meet demand over the next four years.

Commenting on the decision, Council Leader Cllr Mark Annett said:

"We were very pleased to approve £200,000 for this admirable scheme. It means we can invest in much needed community assets such as village and community halls, and help retain thriving community hubs across the District. Local residents benefit from upgraded facilities which are more sustainable. Without further investment by the Council there is a huge risk that much needed community projects would struggle to find financial support, and I am sure that this new allocation of funding will be welcomed across the District."

Thames Path, Inglesham - new route open for walkers

Following final negotiations with landowners, the Thames Path National Trail has a new route between Upper Inglesham and Inglesham open for Public Use. Please Note the Thames Path no longer follows the verge of the A361. The Trail is off road and mostly follows the river, with new signage, gates and bridges installed along the route. It is fully open and available for public use. Please follow signage on the ground and not Ordnance Survey (OS) maps or guide books for this section. Guide books and maps will be amended in time, when new reprints occur. We hope you enjoy this new and lovely section of riverside walking.

November 2017

Dear Friends and neighbours

I've just returned from a school friend's 60th Birthday Party. It was great to catch up with some friends I have known for many years but also sobering to be reminded that none of us are getting any younger! Where have all those years gone? A particularly enjoyable conversation was with the couple for whom I was Bridesmaid over 30 years ago. In some ways we haven't changed at all but in others.....well, I expect you can guess! As we chatted we reflected back on the past few years and the unexpected twists and turns that life had thrown at us. None of my school friends, least of all myself, could ever have imagined that I would end up as an Anglican vicar! But inevitably our conversation turned to those whom we had loved and lost as we shared memories of our parents.

This month in church seems to be one of reflection, when we too remember those who have gone before us. We have remembered both our own loved ones and will also remember those who sacrificially laid down their lives in the many wars that have ravaged our world.

Many of us face challenging times in our lives and here in Kempsford it is particularly heart-warming to see many befriending others through such times. Walking through difficult days is so much easier when we have others alongside us. I often find the words of Psalm 23 to be especially helpful, for here is an image of a God who is there in good times and bad, who guides us and provides for us.

I would like to thank all those who look out for their friends and neighbours and continue to support them during both good and bad days. Having someone to talk to and tell your story can be really helpful and reassuring. Perhaps you might even like a visit from me? I'm excellent at drinking tea but I would also love to hear your story too. Please do contact me if you would like a listening ear sometime.

With every blessing,

Lynn,

PRESS RELEASE

Fairford and District Choral Society Concert Saturday 2 December 2017 at 7.30pm

Fairford and District Choral Society's winter concert is on Saturday 2 December at St Mary's Church, Fairford. Along with professional soloists, they are performing **Vivaldi's Gloria** and **Haydn's St Nicholas Mass**, as well as some shorter pieces.

They will be accompanied by Alison Howell, who will play the magnificent church organ. The concert will be conducted by the society's music director, Marysia Gorska-Saj.

'When we sang Haydn's The Creation this year,' said Carole Noble, the society's Chair, 'it was lovely to read the feedback from a critic, Andrew Wicker. He wrote: "The standard achieved by the choral society was equally impressive" with "great dynamic contrasts". A huge boost for us all. The society enjoys coming together to learn, perform and share beautiful choral music, so we hope the audience really enjoys the programme we have put together for our December concert. Marysia's input is incredible, and we are very lucky to have her as our music director, mentor and conductor.'

The concert starts at 7.30pm. Wine and soft drinks will be available at the interval.

Tickets are £15 (£5 for under 18s) and will be available from 1 November 2017:

- from Fairford Opticians 11 High Street, Fairford GL7 4AD 01285 713313
- via the society's website www.fairford.org/choralsociety
- by calling 01285 713681

The League of Friends of Fairford Hospital

(**Reg. Charity No: 1006416**) President, Earl St Aldwyn

ACTIVE IN THE LOCAL COMMUNITY

Serving Fairford, Lechlade and the surrounding villages.

News and information from The League

Change of name to - Friends of Fairford and Lechlade Communities

Changes are afoot at one of East Gloucestershire's leading local charities.

Members of the League of Friends of Fairford Hospital have voted to change their name and upgrade their charitable status to reflect better the work that they do.

The Friends, who are to become known as the Friends of Fairford and Lechlade Communities, provide health and social care within Fairford, Lechlade and the surrounding villages. This includes a Home Nursing Team providing end of life care, patients' transport and a range of other services and funding that supports the local community. Members consider that the present name does not reflect accurately the widespread work that they do.

"There is still a perception by a large number of people that our services are mainly associated with supporting Fairford Hospital," said League Chairman Graham Hewitt. "This does not help promote the work that is actually being done. Ninety five percent of our work is focused on the community and only five percent within Fairford Hospital, which is now an Outpatients Clinic.

"A name change will reflect better the work we do, will reduce confusion and should further strengthen the support we have in the community" said Graham. The League will continue to strongly support Fairford Hospital, as it is an extremely valuable facility.

They aim to introduce the name change next year.

At the same time as changing its name the League will change its charitable status. At present it is an Unincorporated Organisation. With the responsibilities that the League has the Charity Commission recommend operating as a Charitable Incorporated Organisation which provides a better platform for delivering the services.
