## Should Kempford Parish do a Neighbourhood Development Plan?

Thank you to everyone who attended the recent Community Led Planning Event at Kempford Village Hall, and also those who completed the volunteer form.

Elin Tattersall from Gloucestershire Rural Community Council provided an insight in to the process and benefits of undertaking a Neighbourhood Development Plan (NDP), and also the other types of community led plans.

Further information is available to view at [www.grcc.org.uk](http://www.grcc.org.uk) or [www.cotswold.gov.uk](http://www.cotswold.gov.uk) (under Neighbourhood Planning)

You may also be interested in looking at what other communities are doing. **Lechlade's NDP was the first plan to be approved in the Cotswolds and can be viewed either through the Town Council or Cotswold District council's website.**

Many other parishes are in the process of preparing plans, including Somerford Keynes, which may be considered a similar size parish to Kempford and share common issues. Their draft NDP is available to view at – [www.somerfordkeynes.org.uk](http://www.somerfordkeynes.org.uk)

If you are interested in being involved with preparing a NDP or any other type of community led planning a copy of the 'Volunteer Form' is available through the Parish Council website – [www.kempfordparishcouncil.net](http://www.kempfordparishcouncil.net)

### **Kempford Church of England Primary School is in need of a School**

**Governor.** The role of the governing board is absolutely key to the effectiveness of a school. We set the aims and objectives for the school then monitor and evaluate the progress the school is making. We also act as a source of challenge and support to the headteacher. Although a very important role it is not a greatly time consuming role. The minimum requirement is to attend 3 FGB and 3 Sub-committee meetings a year. Each meeting lasts around 90mins. Alongside this, every Governor should be involved in a minimum of 1 school monitoring visit a year. Our current Governors have a breadth of Knowledge across Education, Finance and Management. Ideally we would like someone with a Technology or Finance background to bolster our skill base. Being a school governor is a challenging but hugely rewarding role. It will give you the chance to make a real difference to young people and give something back to our community. For more information, please contact [chair@kempford.gloucs.sch.uk](mailto:chair@kempford.gloucs.sch.uk)

Lay Preacher – Rob Mitchell (01285 712821)

Churchwarden – Elizabeth Emberson ([dizylizzie@sky.com](mailto:dizylizzie@sky.com))

Dear friends,

We are now well into Autumn, and I am in the middle of planning our family service with this as its theme. This came about mainly because my daughter suggested we could make chocolate leaves for the service, and everything else flowed out from this. We are able to be very free in what we have in our family services, and always make sure there are some fun and games, and usually chocolates or sweets too.

When I taught full time, I used to enjoy chatting with parents about Religious Education, what we taught and why. Often they responded with how much it had changed since their day and how they would like to do such study now. I wonder how many people know how much the Christian Church has changed too?

As an institution the Christian Church has been around for about two thousand years. Over the course of those two millennia there have been lots of changes. It was illegal to be a Christian in the first couple of centuries, many dying for their beliefs as martyrs in the Roman arenas. Today, some Christians still face persecution, and some still put their lives on the line for the Good News.

Women in ministry often seems like a new thing, but there are plenty of women named in the Bible as being active in ministry and we have records of women being ministers in the Early Church too. Church buildings changed quite a lot over the centuries, and we're only just coming out of the Victorian "restoration" period and seeing change once again.

Services being for people is something quite new too. When I began in ministry, we were still using the Alternative Service Book, which had been brought in in 1980 to provide something more modern than the Prayer Book of 1662. I remember the Vicar training me explaining how one didn't need to use the name of the deceased in a funeral, which I thought odd but kept quiet. Only a year after I was ordained the Church of England brought in Common Worship, a massive reworking of all the services, which meant a steep learning curve for all ministers, but the opportunity to be much more flexible and personal. I thought it was great, and still enjoy planning services that are really meaningful for people rather than just reciting the same words regardless. So we now have readings from Winnie the Pooh alongside the Bible readings. Children being able to lay Nana's favourite

biscuits on her coffin as well as a wreath. You can walk down the aisle to Handel's March of the Queen of Sheba or Katrina and the Waves Walking on Sunshine.

Part of the legacy of this changing style of worship is that we can have family services with chocolate leaves, dancing in the aisles and whatever we want (within reason!) because it is about celebrating being the people of God. It is about worshiping in joy and love, and it is about making services that people want to be a part of. It was wonderful that our Reader, Robert, put on a Taize service for people last month, and hopefully just a taste of things to come. The Church is here for the people of God, not the other way round.

God bless,

Nick

# FITSTEPS® FAB

FOR ALL BODIES

Fitsteps for All Bodies, 'FAB', is a dance fitness workout designed for people who love to dance, want to keep fit, but for a variety of reasons, prefer a lighter intensity, lower impact and perhaps a slower pace. FAB combines old style dance genres such as the Bosa Nova & Foxtrot to the Flamenco & Argentinian tango.

The workout combines sway and swing roots, making it great fun to do whether young or simply young at heart.

The dance steps are easier to follow enabling more participants to have fun getting fit while learning classic dances of the ages.
